Abingdon New Testament Commentaries: Romans Leander E. Keck, 2011-09-01 Like widely differing siblings raised by the same parents each letter produced by Paul has its own distinguishing character For the historically minded critic each letter s unique traits provide important clues for detecting the circumstances in which Paul wrote it as well as what he hoped to achieve with it Scholars assume that by examining the content of the letter the answer they can infer the readers situation that Paul is addressing the question a method sometimes called mirror reading In the case of Romans however both the particular traits and the overall content are so unusual that scholars continue to debate why Paul wrote precisely this letter and what he hoped to achieve by it in Rome So begins Leander Keck s seminal work on the New Testament book of Romans Keck asserts that because Romans is part of the New Testament we can compare it with the other letters ascribed to Paul as well as with what Acts reports about his message and mission But the first readers of Romans had only this letter they could compare it only with what they may have heard about him While this commentary does from time to time compare Romans with what Paul had said before it concentrates on Romans itself what Paul says in this text should not be conflated with nor inflated into what he thought comprehensively though it is essential to understand that as well We do not really need another major commentary on Romans that loses us in the minutiae of word studies literary parallels sociological and rhetorical hypotheses we have such in plenty The Abingdon series however by its limited size forces the contributor to focus on the primary task of the

commentator to clarify the meaning intended or potential of the words of the text and to provide some basic reflection on its continuing significance And that is where Keck excels James D G Dunn Review of Biblical Literature 04 2006 [New Testament Commentary - 6 - Romans](#) Cliff Taylor,2014-10-17 My Bible Walkthrough series aimed at seeing that the reader would get to understand the basic meaning of the Bible text This series is for those who want to dig a little deeper and to see what the Bible has to say to them We re now taking Paul s letters largely in printed order which means that we begin by taking on the challenge of Romans **The MacArthur New Testament Commentary Set of 31 volumes** John F MacArthur,2011-02-21 This set includes the entire collection of the MacArthur New Testament Commentary series Matthew 1 7 Matthew 8 15 Matthew 16 23 Matthew 24 28 Luke 1 5 Luke 6 10 Luke 11 17 Luke 18 24 John 1 11 John 12 21 Acts 1 12 Acts 13 28 Romans 1 8 Romans 9 16 1 Corinthians 2 Corinthians Galatians Ephesians Philippians Colossians Philemon 1 2 Thessalonians 1 Timothy 2 Timothy Titus Hebrews James 1 Peter 2 Peter Jude 1 3 John Revelation 1 11 and Revelation 12 22 The MacArthur New Testament Commentary series continues to be one of today s top selling commentary series These commentaries from respected Bible scholar and preacher John MacArthur give a verse by verse analysis in context and provide points of application for passages illuminating the biblical text in practical and relevant ways **Life Application New Testament Commentary** Bruce B. Williams,2014-10-08 Drawing on recent insights from postcolonial theory and social psychology Travis B Williams seeks to diagnose the social strategy of good works in 1 Peter by examining how the persistent admonition to do good is intended to be an appropriate response to social conflict Challenging the modern consensus which interprets

the epistle's good works language as an attempt to accommodate Greco Roman society and thereby to lessen social hostility the author demonstrates that the exhortation to do good envisages a pattern of conduct which stands opposed to popular values The Petrine author appropriates terminology that was commonly associated with wealth and social privilege and reinscribes it with a new meaning in order to provide his marginalized readers with an alternative vision of reality one in which the honor and approval so valued in society is finally available to them The good works theme thus articulates a competing discourse which challenges dominant social structures and the hegemonic ideology which underlies them

Perichoretic Salvation James D. Gifford, 2011-09-15 For two thousand years Christian theologians have struggled to explain the believer's union with Christ What sort of union is it How can it be fully described This book is an attempt to join the conversation to explore exactly what it means to be in union with Christ This book will argue that the believer's union with Christ can rightly be presented as a third type of perichoresis Perichoresis is a word that describes the way the persons of the Trinity interrelate without losing their essential oneness nor without being absorbed into each other In short the doctrine of perichoresis preserves the unity and diversity within the Godhead It is also used to describe the hypostatic union of the divine and human in Christ In *Perichoretic Salvation* James Gifford argues that the union of the believer and Christ is a relationship of the same kind though of a third type Arguing from a perspective that is rooted biblically historically and theologically the book will allow the union to be explained more fully than in the past while remaining within the bounds of what the church has taught over the centuries It may prove to be a basis for understanding the work of Christ afresh for the twenty first century

The Pauline Letters David Oliver Smith, 2022-06-17 In *The Pauline Letters A Rhetorical Analysis* David Oliver Smith unveils his revolutionary discovery that the apostle Paul divided his letters into structured literary units as he wrote them These literary units are based upon repeated words phrases and abstract concepts and are invariably patterned into chiasmic parallel or hybrid structures Using his technique of rhetorical analysis Smith sets out each literary unit in the seven undisputed letters of Paul After the structures of the literary units have been exposed the units reveal interpolations that disrupt Paul's original structure When the interpolations revealed by this technique are compared with interpolations heretofore proposed by Pauline scholars there are some surprising results Smith also uses his technique to analyze the Deutero Pauline letters to determine whether any of those letters exhibit the same literary attributes as the undisputed letters

letters offer many examples of this Throughout the centuries Paul has continued to be misunderstood by both Jews and Gentiles especially in relation to his view of the law and the covenant Paul has often been misunderstood because his form of argument his use of Scripture his view of Jews and Gentiles in Christ especially of those Jews who were not convinced that Jesus was Messiah and his view of what constitutes true Judaism do not seem to conform to our expectations and perceptions of the apostle We have been accustomed to read his letters as of one who was emancipating people from Judaism as one who sought to obliterate all ethnic and other distinctions rather than maintaining the identity of Jews and Gentiles even in Christ By building on some of the insights of the New Perspective and developing other more recent insights as well a more consistent and credible Paul as a first century Diaspora Jew organizing a mission to Gentiles will be presented
