A Bible-Based Chronology from the Creation to the Second Advent of Jesus Christ Jim Dodge, 2018-11-09 The Scriptures reveal that when we enter the latter days we ll find ourselves in an increasingly chaotic world where godlessness and lawlessness rule the day During this time God s word will be neglected and twisted for self serving agendas truth will become subjective and relative and entertainment idolatry liturgy and rituals will replace the Lord Jesus from being the central focus of worship in mainline churches In this Bible based chronology the author examines where we are on God s timeline and more importantly why it s not too late to benefit from God s incredible message of creation redemption and eternal life Importantly for these end times the Bible contains an amazingly accurate timeline dating from the Creation to the Second Coming It s been intentionally hidden but specific windows of time highlight the latter days Celebrate God s imminent return and learn about the specific generation that will see all these things before it passes away so that we as children of light should not let the day of the Lord s return overtake us as a thief in the night

The TRUE Bible Timeline R. Craig Bridgforth, 2021-03-10 It is becoming increasingly popular among the intelligentsia to claim that treasured Bible history is

nothing more than a myth Proponents conclude that since the church is unsure of when these events transpired perhaps they never happened in the first place Unfortunately this alarming trend appears to be gaining more acceptance in our seminaries and churches The True Bible Timeline seeks to dispel such notions by providing an accurate resource to properly date the Old Testament The result of a five year long project it accurately establishes and painstakingly documents the dates of key Bible figures and events starting with the Creation of Adam and ending at the Cross of Christ The complete chronology for 200 Bible events is included in the appendix Guided by His Wisdom author R Craig Bridgforth built this timeline through a meticulous process that allowed him to produce a trustworthy and accurate resource that will enrich studies of the Old Testament with new understanding and insight Developed almost entirely from Scripture this reference guide provides a reliable chronology of events and figures from the Old Testament
