New York Mi Amor:

Gregory Rabassa's Latin American Literature María Constanza Guzmán, 2011-03-14 This book is a critical study of the work of Gregory Rabassa translator of such canonical novels as Gabriel García Márquez's *Cien años de soledad* José Lezama Lima's *Paradiso* and Julio Cortázar's *Rayuela*. During the past five decades Rabassa has translated over fifty Latin American novels and to this day he is one of the most prominent English translators of literature from Spanish and Portuguese. Rabassa's role was pivotal in the internationalization of several Latin American writers; it led to the formation of a canon and significantly to the most prevalent image of Latin American literature in the world. Even though Rabassa's legacy has been widely recognized, the extent of his work's influence and the complexity of the sociocultural circumstances surrounding his practice have remained largely unexamined. In *Gregory Rabassa's Latin American Literature: A Translator's Visible Legacy* María Constanza Guzmán examines the translator's conceptions about language, contextualizes his work in terms of the structures and conditions that have surrounded his practice, and investigates the role his translations have played in constructing collective narratives of Latin American literature in the global imaginary. By revisiting and historicizing the translator's practice, this book reveals the scale of Rabassa's legacy. The translator emerges as an active subject in the inter-American literary exchange, an agent bound to history and to the forces involved in the production of culture. **Kiss Me,**

Mi Amor Alana Quintana Albertson, 2023-07-04 It turns out that a fake relationship is the perfect recipe for a love that sizzles hotter than Santa Barbara's spiciest salsa when it's between enemies. Enrique Montez, smooth talking heir to the Taco King empire, is man enough to admit that he made a critical error when he underestimated Carolina Flores. The agricultural hotshot should have been an easy conquest who would turn down the chance to partner with California's largest fast food chain. But instead of signing her name on the dotted line, Carolina has Enrique eating out of the palm of her hand, and when fate steps in with an unexpected opportunity, Enrique is willing to do whatever it takes to capture her heart. Growing up as the daughter of farmworkers, Carolina spent her youth picking strawberries in the fields of Santa Maria and vowing to improve the lives of people like her parents. Now as one of only a few Latina farm owners, she has no time for romance, and she's certainly not about to let the notorious Montez brother anywhere near her business, even if just being near Enrique makes her skin tingle. But she is willing to let him help get her overinvolved family off her back. When Carolina's father and her lovelorn sisters mistake Enrique for her nonexistent boyfriend, she reluctantly agrees to a series of pretend dates to their town's traditional Mexican American holiday celebrations. Soon the fake feelings turn real, and both Carolina and Enrique must convince each other to take a chance on love before their vacation romance is over. **Catalog of Copyright Entries**
