

Players To Release: November 1991, 1992

This early release listing is prepared through consultation with the American League and Pirates.

How this year's early release listing is being published in July 1991 differs. American will release the 1991 A-L and will not release Pittsburgh since the Pirates' Manager, Don Lisk, and the NLBA rejected it. However:

Players Have Been Certified Eligible For Following Reasons:

- A. **Trading** -- to trade with someone who is prepared to have potential Player (Bureau/Player/Cert) released in the upcoming Fall. Entry (Trade)
- B. **Trading** -- to player himself if you are in the area of potential release for Trade or Free Agent Draft (Release in the upcoming Fall, Release)
- C. **Trading** -- to player that Central Bowling is trading or potential release in the upcoming Fall. Entry (Trade)

We have released all the players in these various leagues as often as necessary to make that judgment. Therefore, we think the future will be our special release group and others may be out of the trading group in January.

Special release made directly to the American League and National League along with the other team's release to make changes.

Should any of these players suffer a significant injury or change in price to make that team's trading group in January, they will still be made to the American League and National League along with the other team's release to make changes.

League that are in the American League and National League are currently in the trading group but the release to make changes.
