BIBLE STUDY DWIGHT LYMAN. MOODY, 2018 **Pleasure and Profit in Bible Study** D L Moody, 2020-10-15 A Quickening that will last must come through the Word of God A man stood up in one of our meetings and said he hoped for enough out of the series of meetings to last him all his life I told him he might as well try to eat enough breakfast at one time to last him his lifetime That is a mistake that people are making they are running to religious meetings and they think the meetings are going to do the work But if these don t bring you into closer contact with the Word of God the whole impression will be gone in three months The more you love the Scriptures the firmer will be your faith There is little backsliding when people love the Scriptures If you come into closer contact with the Word you will gain something that will last because the Word of God is going to endure In the one hundred and nineteenth psalm David prayed nine times that God would quicken him according to His word His law His judgment His precepts etc If I could say something that would induce Christians to have a deeper love for the Word of God I should feel this to be the most important service that could be rendered to them Do you ask How can I get in love with the Bible Well if you will only arouse yourself to the study of it and ask God s assistance He will assuredly help you Taken from Pleasure and Profit in Bible Study written by D L Moody Pleasure & Profit in Bible
