A Desperate Prayer Steve Skaleski, 2025-09-03 A trip to the emergency room a week in the hospital and nearly dying is no way to start a high school senior year But for seventeen year old Steve it is a devastating reality Realizing that he won't be playing football for the rest of the season and that the rest of the school year looks bleak he tries to make the best of the situation But a long recovery afterward leaves him feeling hopeless and depressed His senior year is nearly lost Then four years later a sudden decision to move to Florida gives him hope of a fresh start But once again death comes knocking This time there are no doctors who can save him Alone and afraid he gasps for one last breath then a miraculous encounter with God changes everything *The Publishers Weekly*, 1880 *Prayer of the Dragon: An Inspector Shan Investigation set in Tibet* Eliot Pattison, 2008-12-01 Summoned to a remote Tibetan village from the hidden lamasery where he lives Shan Tao Yun formerly an investigator in Beijing must save a comatose man from execution for two murders in which the victims arms have been removed Upon arrival he discovers that the suspect is not Tibetan but Navajo The man has come with his niece seeking the ancestral ties between their people and the ancient Bon The recent murders are only part of a chain of deaths Together with his friends the monks Gendun and Lokesh Shan sets out to solve the riddle of Dragon Mountain the place where the world begins **A Prayer for a Prince** Hsh Prince Louis Richard Li De La Pau, 2013-07 Having to cope with the taint of Fascism in his family's past and living in exile are the least of the problems enveloping Prince Vittorio di Borbone e Conti The orphaned Italian prince seemingly waltzes through the claustrophobic world of an elite English boarding school where he enthusiastically makes for his friends and revels in his powerful position as Social Director But when his passion for a fellow pupil brings him into confrontation with his relatives in France he has to choose between his duty to his dynasty and his loyalty to the boy he loves the magnetic German prince Wolfgang The Prince's carefully crafted mask of imperious confidence disintegrates in the face of rape penury and humiliation at the hands of his family while he desperately tries to create a career for himself as a musician With the revelation of his family's past support of Mussolini and the intrusion of the charismatic head prefect into his life the ensuing scandal pushes Vittorio into the arms of the older boy But he is unaware that his fascination for the prefect will cost him everything he has ever cared about Emotionally shattered and completely alone he must now make another choice in order to survive in the real world where royal status is more of a handicap than an advantage **The Curate of West Norton** West Norton, George Robert Wynne, 1868
