Pollyanna (English edition - Full version) Eleanor H. Porter,2023-05-15 When her father dies Pollyanna an 11 year old girl is sent to live with her only living relative Aunt Polly Despite a challenging start Pollyanna s exuberance and positivity touches everyone she meets spreading joy and love wherever she goes But when tragedy strikes her optimism is put to the test and she must learn to find happiness again Published in 1913 Pollyanna is a universal classic that has enchanted generations of readers of all ages and languages It s a must read for anyone seeking a life devoid of bitterness and willing to discover the good in everything **Pollyanna** Eleanor H. Porter,2014-09-27 Pollyanna has been a staple of children s literature and a classic for over a century to the point that the name Pollyanna has become part of the English lexicon and is reflective of the sunny optimism of the book s title character The book is still widely read in classrooms across the world today

Pollyanna Eleanor H. Porter,2018-04-18 The whole town is playing the game and the whole town is wonderfully happier and all because of one little girl who taught the people a new game and how to play it Suddenly orphaned Pollyanna is sent across the country to a small town in Vermont where she will live with her strict Aunt Polly But Pollyanna doesn t seem to notice how stern and unfeeling her aunt really is When feeling unhappy she simply plays her glad game finding a silver lining in every cloud Eventually Pollyanna brightens the lives of everyone in town with her infectious game and finds a home for every stray cat dog and child she encounters But then a terrible accident happens and Pollyanna can t find anything to feel glad about anymore All her new friends turn out to support her but will that be enough to restore Pollyanna s cheerful outlook on life We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience *Through the Looking-Glass and What Alice Found There (English edition - Full version)* Lewis Carroll,2023-05-15 Once Alice embarks on her next adventure nothing is quite what it seems Through a mirror she enters a fantastical world of illogical behavior dominated by chess boards and chess pieces and where time runs backwards The story follows the exploits of a spirited young girl who parries with the Red Queen Tweedledee and Tweedledum and other unusual characters she encounters The game of chess that Alice faces is a reflection of how society s rigid hierarchy works And in many ways this sequel has had an even greater impact on today s pop culture than the first book with its whimsical and thought provoking themes
