Salvador Witness The Life And Calling Of Jean Donovan:

Salvador Witness Ana Carrigan, 1984 *Salvador Witness* recounts a remarkable journey from the affluent suburbs of Connecticut to the jungles and refugee camps of El Salvador. It is a tale for our time, a narrative of emotional and spiritual growth that led Jean Donovan at age twenty-five to decide to dedicate her life to the poor. Her murder at the hands of government troops in El Salvador shocked the world. This book tells the story behind that event but also the story of a young American woman, her growth, her bravery, and her humanity, and the price she was willing to pay for them. Book jacket

Remembering Oscar Romero and the Martyrs of El Salvador John Thiede, 2017-05-25 With the Beatification of Monsignor Oscar Romero, our current Pope Francis has asked theologians to consider how we might allow for an expanded definition for martyrdom in the 21st century. *Remembering Oscar Romero and the Martyrs of El Salvador* responds to that challenge. How do we name Oscar Romero, Rutilio Grande, the U.S. churchwomen, and the Jesuits and two laywomen killed at the UCA as martyrs? Is it a new category with a new definition? Or is it simply an amplification of what we have long considered Christian witness? While there is a long history of martyrdom in Latin America, this book elaborates on four case studies for martyrdom, focusing on the reality in El Salvador: Rutilio Grande, S.J., killed in 1977; Archbishop Oscar Romero, killed in 1980; the U.S. churchwomen killed in 1980; and the six members of the UCA Jesuit community and their two female collaborators killed in 1989. Insights from the work of Jon Sobrino illuminate these case studies. First, his Christological insights from Jesus the Liberator and Christ the Liberator are used to analyze the reality of martyrdom, particularly in reference to the terms martyr, crucified people, and martyred people. Second, his more recent articles challenge a strict interpretation of the traditional definition of martyrdom, especially focusing on his terms Jesuanic martyr, a martyr for justice, and even a more polemic suggestion of an anonymous Christian martyr. Finally, the book concludes by combining Sobrino's insights and the reality of martyrdom today, updated with the recent scholarship in Romero's beatification process, which attempts to show Romero as a martyr. In the end, the book hopes to offer some suggestions for an expanded definition of martyrdom in the 21st century. By responding to the call of Pope Francis for an expanded definition, the reality of martyrdom in Latin America might be better understood and applied to the universal church.

Exiting Violence Debora Tonelli, Gerard Michael J. Mannion, 2024-06-04 In the 20th and 21st centuries, where violence has scarred countless lives, the interplay between religion, politics, and conflict remains a complex web. *Exiting Violence* looks to untangle some of these knots, showing not only how faith can ignite bloodshed but also how it can inspire peace and build bridges. Resulting from an international collaboration between the Fondazione Bruno Kessler, RESET Dialogues Among Civilizations, and the Berkley Center for Religion, Peace, and World Affairs, this collection assesses the state of scholarship and explores the differing ways in which religion can contribute to societies and communities exiting situations of violence and hatred. From Biblical hermeneutics to Buddhism, from secularism to legal systems, *Exiting Violence* offers a nuanced and thought-provoking exploration of the multifaceted role religion plays in the

human struggle for peace and justice

Reagan's Gun-Toting Nuns Theresa Keeley, 2020-09-15 In Reagan's Gun Toting Nuns Theresa Keeley analyzes the role of intra Catholic conflict within the framework of U S foreign policy formulation and execution during the Reagan administration She challenges the preponderance of scholarship on the administration that stresses the influence of evangelical Protestants on foreign policy toward Latin America Especially in the case of U S engagement in El Salvador and Nicaragua Keeley argues the bitter debate between U S and Central American Catholics over the direction of the Catholic Church shaped President Reagan's foreign policy The flash point for these intra Catholic disputes was the December 1980 political murder of four American Catholic missionaries in El Salvador Liberal Catholics described nuns and priests in Central

America who worked to combat structural inequality as human rights advocates living out the Gospel's spirit. Conservative Catholics saw them as agents of class conflict who furthered the so-called Gospel according to Karl Marx. The debate was an old one among Catholics but as Reagan's Gun Toting Nuns contends it intensified as conservative anticommunist Catholics played instrumental roles in crafting U.S. policy to fund the Salvadoran government and the Nicaraguan Contras. Reagan's Gun Toting Nuns describes the religious actors as human rights advocates and against prevailing understandings of the fundamentally secular activism related to human rights highlights religion inspired activism during the Cold War. In charting the rightward development of American Catholicism Keeley provides a new chapter in the history of U.S. diplomacy and shows how domestic issues such as contraception and abortion joined with foreign policy matters to shift Catholic laity toward Republican principles at home and abroad.

Martyrs of Hope Brett, Donna Whitson, Brett, Edward T., 2018-10-18. Here is the riveting and troubling story of seven U.S. martyrs in Central America who laid down their lives for their neighbors: Father Stanley Rother, Brother James Miller, Sisters Maura Clarke, Ita Ford, Dorothy Kazel, and Carla Piette, and lay missionary Jean Donovan. *Christianity and Crisis*, 1985. A bi-weekly journal of Christian opinion.

El Salvador: Blood on All Our Hands George Thurlow, 2024-03-01. On April 29, 1981, American journalist George Thurlow was shot by members of the El Salvador Treasury Police on a jungle road in San Salvador. His 29-year-old driver Gilberto Moran was killed and Associated Press photographer Joaquin Zuniga was seriously injured in the shooting. Thurlow left El Salvador two days later to receive medical treatment in the U.S. In 2000 he began a more than two-decade search to find Gilberto Moran's grave and some form of personal redemption. *El Salvador: Blood On All Our Hands* details that search and introduces us to those who fought in the civil war, U.S. aid workers helping to rebuild the tiny country as well as every day Salvadorans who suffered through a war that killed 70,000 of their fellow citizens. Many Salvadorans have decided it is time to move on from focusing on the war as their country enters a new era. The U.S. officials who supplied weapons and encouragement to the Salvadoran government, its security forces, and the murderous death squads have never been held accountable. In El Salvador a Truth Commission has identified those most responsible for the assassinations and murder of priests, journalists, and opposition leaders. This book is intended to document a moment in Salvadoran history when the United States government was responsible for a cruel carnage and to illustrate how American citizens are attempting to repair the damage.

How Latin America Saved the Soul of the Catholic Church Edward L. Cleary,2009 Tells the remarkable story of the transformation of the Latin American church on every level from professional theologians to the individual in the remotest Latin American village The Salvador Option Russell Crandall,2016-05-23 El Salvador s civil war between the Salvadoran government and Marxist guerrillas erupted into full force in early 1981 and endured for eleven bloody years Unwilling to tolerate an advance of Soviet and Cuban backed communism in its geopolitical backyard the US provided over six billion dollars in military and economic aid to the Salvadoran government El Salvador was a deeply controversial issue in American society and divided Congress and the public into left and right Relying on thousands of archival documents as well as interviews with participants on both sides of the war The Salvador Option offers a thorough and fair minded interpretation of the available evidence If success is defined narrowly there is little question that the Salvador Option achieved its Cold War strategic objectives of checking communism Much more difficult however is to determine what human price this success entailed a toll suffered almost entirely by Salvadorans in this brutal civil war

Radical Faith Eileen Markey,2016-11-08 On a hot and dusty December day in 1980 the bodies of four American women

three of them Catholic nuns were pulled from a hastily dug grave in a field outside San Salvador. They had been murdered two nights before by the US trained El Salvadoran military. News of the killing shocked the American public and set off a decade of debate over Cold War policy in Latin America. The women themselves became symbols and martyrs shorn of context and background. In *A Radical Faith* journalist Eileen Markey breathes life back into one of these women, Sister Maura Clarke. Who was this woman in the dirt? What led her to this vicious death so far from home? Maura was raised in a tight knit Irish immigrant community in Queens, New York during World War II. She became a missionary as a means to a life outside her small, orderly world and by the 1970s was organizing and marching for liberation alongside the poor of Nicaragua and El Salvador. Maura's story offers a window into the evolution of postwar Catholicism from an inward looking protective institution in the 1950s to a community of people grappling with what it meant to live with purpose in a shockingly violent world. At its heart, *A Radical Faith* is an intimate portrait of one woman's spiritual and political transformation and her courageous devotion to justice. *Gender in Germany and Beyond* Jennifer V. Evans, Shelley E. Rose, 2023-05-12 Jean Quataert redefined the boundaries of at least five historical fields including European socialism, women's history, and gender history and international law and human rights. In this volume dedicated to her pioneering work, established and emerging scholars showcase the signature ways in which Quataert as one of the discipline's first women's historians has influenced how subsequent generations think about history writing as a form of intellectual activism. *Gender in Germany and Beyond* presents cutting edge historiographical commentary alongside new work which addresses subjects such as the history of German colonialism and women's colonial leagues, human rights advocacy during the Cold War, and the complexities of turn of the century gay and lesbian rights organizing. *From Popular to Insurgent Intellectuals* Leigh Binford, 2022-12-09 *From Popular to Insurgent Intellectuals* explains how a group of Catholic lay catechists educated in liberation theology came to take up arms and participate on the side of the rebel FMLN during El Salvador's revolutionary war, 1980-92. In the process, they became transformed from popular intellectuals to insurgent intellectuals who put their organizational and cognitive skills at the service of a collective effort to create a more egalitarian and democratic society. The book highlights the key roles that peasant catechists in northern Morazan played in disseminating liberation theology before the war and supporting the FMLN during it as quartermasters, political activists, and musicians among other roles. Throughout *From Popular to Insurgent Intellectuals* highlights the dialectical nature of relations between Catholic priests and urban revolutionaries among others in which the latter learned from the former and vice versa. Peasant catechists proved capable at making independent decisions based on assessment of their needs and did not simply follow the dictates of those with superior authority and played an important role for the duration of the twelve year military conflict. *Kirkus Reviews*, 1984 Adult books are categorized by genre, i.e. fiction, mystery, science fiction, nonfiction.
