A Wilkie Collins Chronology W. Baker, 2007-08-24 This book builds on a critical and scholarly revival of interest in Collins Baker draws upon biographical revelations and the recent publication of Collins's letters to provide a unique insight into both the man and the writer The volume will appeal to all students of Collins and those with an interest in the life of Nineteenth century England *A New English Dictionary on Historical Principles*, 1919 *A New English Dictionary on Historical Principles* James Augustus Henry Murray, 1919

Unequal Partners Lillian Nayder, 2018-07-05 In the first book centering on the collaborative relationship between Charles Dickens and Wilkie Collins Lillian Nayder places their coauthored works in the context of the Victorian publishing industry and shows how their fiction and drama represent and reconfigure their sometimes strained relationship She challenges the widely accepted image of Dickens as a mentor of younger writers such as Collins points to the ways in which Dickens controlled and profited from his literary satellites and charts Collins's development as an increasingly significant and independent author The pair's collaborations for *Household Words* and *All the Year Round* explicitly addressed Victorian labor disputes and political unrest and Nayder reads the stories in terms of the social and imperial conflicts that both provided their themes and enabled Dickens and Collins to mediate their own personal and professional differences Nayder's discussion of the collaboration and its principals is greatly enriched by archival research into unpublished and unfamiliar material including the manuscripts of *The Frozen Deep* **Publishers' Circular and Booksellers' Record of British and Foreign Literature**, 1894

The Public Face of Wilkie Collins Vol 3 Andrew Gasson, Graham Law, William

Baker, 2024-10-28 The editors have transcribed 2 500 of Wilkie Collins's letters around 700 of them previously unidentified and have given them all a full scholarly annotation and context The letters shed light on the personal life and business activities of this creative Victorian personality **British Books**, 1900 *Plays: Mr. Nightingale's diary. No throughfare. Poems. Miscellanies in prose. Appendix: The bibliography of Dickens. Index* Charles Dickens, 1882

Queer Dickens Holly Furneaux, 2009-12-10 This book offers a radically new reading of Dickens It argues that rather than representing a largely conventional conservative view of sexuality and gender his corpus is distinctly queer displaying a fascination with the

diversity of gender roles the expandability of notions of the family and the multiplicity of sexual desire
