book is the amazing story of one woman's unending desire to make a difference. And if once was not enough, in 2001 Brown made the same promise to three new classrooms of first, fifth, and ninth graders. Brown and her foundation are now committed to adopting a new crop of kids to send to college every four years. Brown's pledge to the students was not without great personal and public sacrifice. Her promise turned her life upside down; it strained her relationships and at times required her to work several different jobs. Brown also developed a strong emotional attachment to the children; for many of these students, Brown was the one consistent adult in their lives. In a world short on heroes, altruism, and dedication, *THE PROMISE* shows that it is still possible to change lives for the better. This book will encourage, uplift, and inspire every reader. **Lippincott**
