45 years in the business and still rockin The Story Of UFO A Genuine Rock Phenomenon [Come What May, I Want to Run](#) Miriam Díaz-Gilbert,2023-05-04 Growing up Miriam is an average athlete who doesn't get much playing time She never imagines becoming a runner But a college breakup propels her to run to mend her broken heart She begins running 5K races These races morph into half marathons and marathons Years later running helps her to cope with the workplace mistreatment she is enduring as an academic and the depression she suffers After watching Dean Karnazes and Pam Reed on 60 Minutes talk about ultrarunning Miriam signs up for the JFK 50 ultra With the love and support of her family she runs an ultramarathon every year A few years later Miriam is unable to run normally until she is diagnosed with neurological B12 deficiency and gets her running legs back Three days after placing third female in a twenty four hour ultramarathon Miriam's scheduled laparoscopic hysterectomy is only the beginning of her medical and surgical nightmare When her husband Jon is diagnosed with stage four cancer Miriam runs ultramarathons for his healing In *Come What May I Want to Run* the reader keeps pace with Miriam as she overcomes adversity and her unrelenting faith perseverance resiliency and running ultramarathons never waiver *How to Make Feeling Good Your Priority* Holly Rouillard Johnson,2021-02-10 Holly Rouillard Johnson's path to make feeling good a priority manifested in her childhood and high school years She discovered running which led her on a twenty seven time marathon journey starting at age thirty four She credits her accomplishments in racing and life to her feel good mentality including a proven formula on sustaining a feel good state for as long as possible both along marathon courses and life's paths Throughout the years her commitment to feeling good led her to coaching and helping others adapt more positive mindsets and helping her heal and overcome injuries and balance the demands of professional and running careers along with family and other interests It also fueled her courage to deal with adversity as an athlete and in life This feel good commitment enables her to embrace every setback as an opportunity to learn grow and evolve principles and practices she shares in *How to Make Feeling Good Your Priority* Shifting the law of attraction in a positive direction Johnson gives practical advice guiding you in making the right choices and shifting how you approach your day by thinking and focusing on what will make you feel good and happy Johnson insists you can choose how you want to feel around your kids your spouse at work at the gym on a run or simply how you approach each day When you feel good the world seems like a better place *The Supernatural Age* David Alan Smith,2020-12-15 Demons Demonic activity What would our world be like if the floodgates were opened What would happen if the hand that kept these evil entities at bay was removed And whose hand would that be This is the Supernatural Age It is more than a cautionary tale it is a prophecy plucked from the pages of the Bible or at least a plausible interpretation of what could possibly be And what exactly makes Biblical Prophecy so mysterious worth anyone's time Simple eerily a quarter of the Bible is documented prophecy and approximately 75% of these prophecies have already been fulfilled to the tee Bible prophecy is batting a thousand it has a perfect record If a psychic laid out over 2000 predictions and every single one of them came true to the letter if it wouldn't

be enough to make one trust the psychic it d at least make one take a second look Why not the Bible Besides a rapture believing church is long overdue for a fresh new perspective on what they believe This time however the message to these Christians is BEWARE It is a warning a just in case scenario they need to seriously consider when it comes to their rapture It is a just in case scenario when it comes to the Tribulation the Prophet and the Antichrist Although The Supernatural Age is written with love and concern for Christians and non Christians alike it is far from a fluffy feel good novel of things and things to come It is a haunting and ominous tale by all accounts but not without a light at the end of the tunnel This is a supernatural thriller full of suspense unexpected twists turns and surprises It is an imaginative and daring version of the Bible s foretelling of the last days It is as much written to shock and entertain the reader as it is to inform and educate It is thought provoking It is peppered with horrors danger suspicion intrigue deception paranormal phenomena and demon possession Despite it being fiction merely a story it can be most provocative even controversial if one allows it Yet even with all the precarious settings situations and global devastation it manages to squeeze in the beauty of faith romance love honor and trust as well as the Gospel of Jesus Christ Thus it truly and fully lands in the Christian genre as it is intended to be In addition the Supernatural Age is a timely novel Not only is it perfect and apropos for the times pertaining to what is currently trending in the political arena worldwide it is suitable for a myriad of audiences Younger older rich and poor religious spiritual Atheists and Agnostics all genders all walks of life regardless of race sexual orientation political affiliation culture or creed the Supernatural Age is a novel for all people Take notice be informed be warned and be aware Whether the Supernatural Age is read like a movie or read as a reference whether it falls into the realm of pure entertainment or a foreboding warning either way it is a novel worth considering Hopefully it is a novel well received a novel worthy of finding an intimate place in the heart of one s library Bottom line the ultimate battle between good and evil is looming The question is are you ready
