**The Society of Prisoners** Renaud Morieux,2019-10-03 In the eighteenth century as wars between Britain France and their allies raged across the world hundreds of thousands of people were captured detained or exchanged They were shipped across oceans marched across continents or held in an indeterminate limbo The Society of Prisoners challenges us to rethink the paradoxes of the prisoner of war defined at once as an enemy and as a fellow human being whose life must be spared Renaud Morieux redefines how we understand the notion of what a prisoner of war was before international legal and social conventions were introduced in the eighteenth century the distinction between a prisoner of war a hostage a criminal and a slave was not always clear cut Morieux then uses war captivity as a lens through which to observe the eighteenth century state how it transformed itself and why it endured In so doing he invites the reader to trace the history of the prisoners via a journey between Britain France the West Indies and St Helena

**The Prison Cell** Jennifer Turner,Victoria Knight,2020-07-08 This book advances conceptualisations and empirical understanding of the prison cell It discusses the complexities of this specific carceral space and addresses its significance in relation to the everyday experiences of incarceration The collected chapters highlight the array of processes and practices that shape carceral life adding the cell to a rich area of discussion in penal scholarship criminology anthropology sociology and carceral geography The chapters highlight key aspects such as penal philosophies power relationships sensory and emotional engagements with place to highlight the breadth and depth of interdisciplinary perspectives on the prison cell a contested place of home labour and leisure The Prison Cell s empirical attention is global in its consideration bringing together both contemporary and historical work that focuses upon the cell in the Global North and South including examples from a variety of geographical locations and settings including police custody prisons and immigrant detention centres This book is an important and timely intervention in the growing and topical field of carceral studies It presents the only standalone collection of essays with a sole focus on the space of the cell
