

# PROBLEM & SOLUTION

A **problem** is what goes wrong or a challenge for the character in a story. The **solution** is how the problem is fixed or solved.

**the problem & solution fit together**

a fire-breathing  
dragon

a strong knight  
scares it away

trapped in a  
tower

a prince comes  
to the rescue

| PROBLEM                                                                                                                                                                                       | SOLUTION                                                                                                                                                                                   |
