Getting Lost at the Museum

It was the day of the school field trip! Johnny couldn't wait to go to the Hands on Museum. He had never been there before, but he heard that it was full of hands-on science experiments! When they first arrived, Johnny looked around and saw how busy the museum was with tons of children running around. "Now make sure you stay with your chaperone," Mrs. Smith said to the class. About 30 minutes into the trip, Johnny busy making music with the chimes, he looked up trying to find his group. He panicked. "Where is my group? Where is my chaperone? Oh no!" He thought quickly of what his mom told him to do if he ever got separated. He could either stay in that spot, or he could go find an adult to tell them that he got separated from his group. Johnny decided to find an adult that worked at the museum. The worker called over the loud speaker to his group's chaperone to come to the front desk. Within minutes, Johnny's group came to the front. "Phew... that was scary," said Johnny. "You did the right thing," Mrs. Beth said.
