Introductory Criminology Marcus Felson, Mary A. Eckert, 2017-12-04 Introductory Criminology The Study of Risky Situations takes a unique and intuitive approach to teaching and learning criminology Avoiding the fragmentation of ideas commonly found in criminology textbooks Marcus Felson and Mary A Eckert develop a more practical readable structure that engages the reader and enhances their understanding of the material Their descriptive categories simultaneously broad and realistic serve better than the usual philosophical categories such as positivism and classicalism to stimulate students interest and critical thinking Short chapters each broken into 5 7 sections describe situations in which crime is most likely to happen and explain why they are risky and what society can and can t do about crime They create a framework to organize ideas and facts and then link these categories to the leading theories developed by criminologists over the last 100 years With this narrative to guide them students remember the material beyond the final exam This fresh new text was created by two professors to address the main points they encounter in teaching their own criminology courses Problems solved include reluctant readers aversion to abstract thinking fear of theory and boredom with laundry lists of disconnected ideas Felson a leader in criminology theory with a global reputation for innovative thinking and Eckert an experienced criminal justice researcher are uniquely qualified to reframe criminology in a unified arc By design they offer abstractions that are useful and not overbearing their prose is readable and their concepts are easy to comprehend and remember This new textbook challenges instructors to re engage with theory and present the essence of criminological thought for adult learners coaching students to grasp the concept before any label is attached and allowing them to emerge

with deeper understanding of what each theory means and offers Lean with no filler or fluff like stock photos Introductory Criminology includes the authors graphics to crystallize and expand concepts from the text *Lemon-Aid New Cars and Trucks 2012* Phil Edmonston,2011-01-01 Phil Edmonston Canada s automotive Dr Phil pulls no punches He says there s never been a better time to buy a new car or truck thanks to a stronger Canadian dollar and an auto industry offering reduced prices more cash rebates low financing rates bargain leases and free auto maintenance programs In this all new guide he says Audis are beautiful to behold but hell to own biodegradable transmissions rodent snack wiring and mind boggling depreciation Many 2011 12 automobiles have chin to chest head restraints blinding dash reflections and dash gauges that can t be seen in sunlight not to mention painful wind tunnel roar if the rear windows are opened while underway Ethanol and hybrid fuel saving claims have more in common with Harry Potter than the Society of Automotive Engineers GM s 2012 Volt electric car is a mixture of hype and hypocrisy from the car company that killed its own electric car more than a decade ago You can save 2 000 by cutting freight fees and administrative charges Diesel annual urea fill up scams can cost you 300 including an 80 handling charge for 25 worth of urea Lemon Aid s 2011 12 Endangered Species List the Chinese Volvo the Indian Jaguar and Land Rover the Mercedes Benz Smart Car Mitsubishi and Suzuki **Matt Vol II Ahmad**
