Strategies for Successful Writing James A. Reinking, 2002      Academic Writing, Third Edition Steven C. Roe, Pamela H. den Ouden, 2018-04-26

Now in its third edition Academic Writing offers a succinct and practical introduction to the development of research papers across the disciplines. Structured around contemporary genre theory which establishes the importance of context for effective communication, the text describes the writing process step by step including how to formulate a topic, gather and properly document sources, develop strong proposals, introductions, core paragraphs and conclusions, and refine the final draft. Additionally, readers will observe the progress and thought processes of Jenna, a first-year student, as she crafts her own paper. New to this edition are materials for instructors that include full-length research papers, PowerPoint slides, an exam bank, and ideas for study. Rich with such pedagogical features as chapter learning objectives, annotated passages that illustrate aspects of academic style, and a glossary, Academic Writing is a must-have textbook for students developing their research and writing skills.

Write Here: Developing Writing Skills in a Media-Driven World Randi Brummett de Leon, Brooke Hughes, 2020-04-30. Write Here is designed to teach students essential reading and writing skills using media examples to help explain academic concepts and provide opportunities for practice. It is adaptable because it covers the basics of reading writing and the modes of writing it is appropriate to use in developmental composition classrooms. However it also covers such topics as logical fallacies rhetoric timed writing academic writing source integration and MLA APA documentation making it appropriate for a first year or stretch composition course. Many beginning writing students are underprepared and feel that writing just isn't for them. The authors hope to dispel that myth by using media examples and a conversational tone to introduce and teach the material. Write Here provides examples that are interesting to students while allowing them to connect to the subject matter on a more personal level. Additionally the process of analyzing the media helps students sharpen their reading writing and critical thinking skills.
