1. Professional Reflection (Must complete this section)

1. Reflective Essay:

All graduate studies at Viterbo University are based on essential knowledge, established and current research, and best professional practice. As a professional educator, the necessity to reflectively apply knowledge of subject matter, human learning and development, pedagogy, theory and technology is tantamount to professional development.

In this exercise, revisit the Philosophy of Education you wrote as an undergraduate. Reflect on your current beliefs and practices and note any changes in philosophy that have developed. Reflect on the reasons for these changes using examples if appropriate. Culminate by drafting a revised Philosophy of Education. Please limit this section to two typed pages.

2. Professional Development Plan: (Must complete this section)

3. Professional Application of Teaching Standards: (Must complete this section)

NCATE (National Council for Accreditation of Teacher Education), to which Viterbo University is accredited, believes that caring, competent, and qualified teachers should teach every pupil. Therefore, standards have been established based on the belief that all children can and should learn.

In this exercise we ask that you provide evidence of your knowledge, skills, and attitudes in five areas (next page). Share one example from your own teaching experience for each of the five standards listed below. Please limit your responses to 1-2 typed pages total.
