Diaries to an English Professor Jeffrey Berman,1994 The power of the book lies in the students voices articulate honest often eloquent **A Middle English Metrical Paraphrase of the Old Testament** Herbert Kalén,1923 *The Professor's Harem* Katrina Millings,2024-11-15 Part One I d doubted I stood a chance of getting the job as Professor James s assistant He had a reputation around the university campus for liking a certain type and I wasn t it Then again I might be just what he needed That reputation was on the verge of getting him fired if one more rumor got back to the Dean s office I was the quiet type who knew how to keep a secret no matter how dirty it was Did a man really need a harem of women when the right one was standing in front of him As it turned out the professor did but I was too busy having fun myself to get jealous Part Two In the past two months that I d been working as the professor s assistant I d learned a few things and none of them had anything to do with my office skills With some help from my best friend Kinsley I d been doing my best to keep the womanizing professor happy by making every fantasy he had come true But two girls don t make a harem and Kinsley was down with the flu Luckily when my friend Heidi wasn t busy hanging out with the math club she spent her time dreaming of every dirty little thing I could imagine and more Girls like Heidi don t usually get a chance to make those dreams come true until they run into a guy like Professor James that is Part Three The past couple of months with Professor James had been amazing and hot Both Heidi and Kinsley agreed That was obvious from the way they couldn t keep their hands off him or each other or me I couldn t imagine our little harem getting any better or bigger than it already was but leave it to Professor James He loved his games and he could always be counted on to find a new player Enter Ms Hanscom the stern librarian who had her own ideas of what a harem should be and who it should serve mff ffm fmf mfff fff ff multiple partners threesome foursome harem erotica slice of life free use professor teacher student librarian age gap domination submission older couple younger woman romantic erotica erotica short stories [Bibliographical Directory of Members](#) Econometric Society,1957

Estranged Jessica Berger Gross,2017-07-11 To outsiders Jessica Berger Gross s childhood growing up in a nice Jewish family in middle class Long Island seemed as wholesomely American as any other But behind closed doors Jessica suffered years of physical and emotional abuse at the hands of her father whose mood would veer unexpectedly from loving to violent At the age of twenty eight still reeling from the trauma but emotionally dependent on her dysfunctional family Jessica made the anguished decision to cut ties with them entirely Years later living in Maine with a loving husband and young son having finally found happiness Jessica is convinced the decision saved her life Jessica breaks through common social taboos and bravely recounts the painful self defeating ways in which she internalized her abusive childhood how she came to the monumental decision to break free from her family and how she endured the difficult road that followed Ultimately by extracting herself from the damaging patterns and relationships of the past Jessica has managed to carve an inspiring path to happiness one she has created on her own terms Her story told here in a careful unflinching and forthright way completely

Rot, Riot, and Rebellion Rex Bowman,Carlos Santos,2013-08-13 Thomas Jefferson had a radical dream for higher education Designed to become the first modern public university the University of Virginia was envisioned as a liberal campus with no religious affiliation with elective courses and student self government Nearly two centuries after the university's creation its success now seems preordained its founder after all was a great American genius Yet what many don't know is that Jefferson's university almost failed In Rot Riot and Rebellion award winning journalists Rex Bowman and Carlos Santos offer a dramatic re creation of the university's early struggles Political enemies powerful religious leaders and fundamentalist Christians fought Jefferson and worked to thwart his dream Rich students many from southern plantations held a sense of honor and entitlement that compelled them to resist even minor rules and regulations They fought professors townsfolk and each other with guns knives and fists In response professors armed themselves often with good reason one was horsewhipped others were attacked in their classrooms and one was twice the target of a bomb The university was often broke and Jefferson's enemies crouched and ready to pounce looked constantly for reasons to close its doors Yet from its tumultuous early days Jefferson's university a cauldron of unrest and educational daring blossomed into the first real American university Here Bowman and Santos bring us into the life of the University of Virginia at its founding to reveal how this once shaky institution grew into a novel American style university on which myriad other U S universities were modeled
