

Profile Essay Explorations—profiling a person

For each prompt write at least one **detailed** paragraph. The paragraph may or may not become part of the final paper. Place these explorations in your individual journal.

Exploration 1: Picture and describe the person sitting in the place where the interview was conducted. Imagine coming down the LADDER OF ABSTRACTION as you describe the person. In addition to physical qualities, think about the person's body language, the way they use words, the tone of their voice. Capture every aspect about the person you can as you do this description. If the writing (this is a messy draft) becomes more than one paragraph, this is fine.

Exploration 2:

Write a paragraph describing how the interview proceeded. What was the tone and pace of the conversation? What question did you ask that you thought was the most useful or led toward the most interesting answer? Quote exactly the question and the answer.

Exploration 3: What was the highlight of the interview for you? Why do you think so? Be extremely detailed in explaining this part of the interview.

Exploration 4: Practice the art of introducing a direct quotation. Use a quotation from the subject of your profile. Write this as a paragraph with a clear signal phrase and introduction of your subject.

Example: As we sat next to the Boise River, Joe, one of the best fishermen I know, shared his philosophy about fly fishing: "The fly fisherman connects with the world in a profound and natural competition. Sometimes the fish wins." I hadn't thought about fishing in much depth before I met Joe, but now after he shared his version of the sport . . .

Exploration 5: Create a paragraph reporting something that was said about your general theme that seemed quite similar to your own beliefs or experience. In the paragraph compare your experience/belief with that of your subject.

Alternative Project—profiling a place

Exploration 1: What made you pick this particular place as a subject of observation?

Exploration 2: Were you able to find any secondary sources about this place? If so, what were those sources? What was the most useful bit of information you found in these secondary sources?

Exploration 3: Explain what, from your point of view, is the most significant aspect of this place. Would others see the place in a similar way? Why or why not?

Exploration 4: Write a paragraph describing the "atmosphere" of the place. Atmosphere can include sounds, temperature, pace, the attitude of those who "hang out" in this place. Then explain if you think the atmosphere is always the same or changes with the time of day or time of year.
