Scheindlin, 2007-12-14 Judah Halevi ca 1075 1141 is the best known and most beloved of medieval Hebrew poets partly because of his passionate poems of longing for the Land of Israel and partly because of the legend of his death as a martyr while reciting his Ode to Zion at the gates of Jerusalem He was also one of the premier theologians of medieval Judaism having written a treatise on the meaning of Judaism that is still studied and venerated by traditional Jews As a member of the wealthy Jewish elite of medieval Spain Halevi enjoyed the material pleasures available to the upper classes Alongside his sacred poetry he wrote verses about youthful romance wine songs and odes to his friends In midlife Halevi turned more seriously to religion eventually abandoning his family and community with hopes of ending his life as a pilgrim in the land of Israel Miraculously a number of letters in Arabic were discovered about fifty years ago some written by Halevi some written to Halevi and yet others written about Halevi by his friends in Egypt These letters preserve a vivid record of Halevi s travels as a pilgrim and of the last months of his life Raymond Scheindlin has written the first book length treatment of Halevi s pilgrimage in any language He tells the story of Halevi s journey through selections from these revealing sources and explores its meaning through discussions of his stirring poetry presented here in new verse translations with full commentary In Hebrew verse of unparalleled beauty Halevi salutes the Holy Land he argues with friends about his intentions he sets out his fantasy of crossing the ocean of walking the hills and valleys of the Land of Israel and of dying and mingling his bones with its soil and stones He even confides his secret fears and uncertainties his longing for his family and his fear of death at sea With his consummate skill as a translator of Hebrew poetry and his mastery of Judeo Arabic culture Scheindlin provides fresh insights into the literary religious and historical facets of Halevi s captivating poetry and fateful journey **The Chronicles of the Jewish People** Raymond P. Scheindlin, 1996 In The Chronicles of the Jewish People Professor Raymond P Scheindlin of the Jewish Theological Seminary of America presents a comprehensive and panoramic view of the entire history of the Jews from the earliest beginnings as

immigrants to Canaan from Mesopotamia to the most recent political turmoil in the Middle East *The Routledge Handbook of Arabic Poetry* Huda Fakhreddine, Suzanne Pinckney Stetkevych, 2023-12-22 Comprised of contributions from leading international scholars The Routledge Handbook of Arabic Poetry incorporates political cultural and theoretical paradigms that help place poetic projects in their socio political contexts as well as illuminate connections across the continuum of the Arabic tradition This volume grounds itself in the present moment and from it examines the transformations of the fifteen century Arabic poetic tradition through readings re readings translations reformulations and co optations Furthermore this collection aims to deconstruct the artificial modern pre modern divide and to present the Arabic poetic practice as live and urgent shaped by the experiences and challenges of the twenty first century and at the same time in constant conversation with its long tradition The Routledge Handbook of Arabic Poetry actively seeks to destabilize binaries such as that of East West in contributions that shed light on the interactions of the Arabic tradition with other Middle Eastern traditions such as Persian Turkish and Hebrew and on South South ideological and poetic networks of solidarity that have informed poetic currents across the modern Middle East This volume will be ideal for scholars and students of Arabic Middle Eastern and comparative literature as well as non specialists interested in poetry and in the present moment of the study of Arabic poetry

The Song of the Distant Dove Raymond P. Scheindlin, 2007 Judah Halevi d 1141 the greatest of premodern Hebrew poets abandoned his home in Spain and traveled to the Land of Israel Raymond Scheindlin has written the first book length treatment of Halevi s pilgrimage in any language He provides a detailed narrative of Halevi s journey interwoven with poems and samples of original documents [Dominion Built of Praise](#) Jonathan Decter, 2018-08-14 A constant feature of Jewish culture in the medieval Mediterranean was the dedication of panegyric texts in Hebrew Judeo Arabic and other languages to men of several ranks scholars communal leaders courtiers merchants patrons and poets Although the imagery of nature and eroticism in the preludes to these poems is often studied the substance of what follows is generally neglected as it is perceived to be repetitive obsequious and less aesthetically interesting than other types of poetry from the period In [Dominion Built of Praise](#) Jonathan Decter demurs As is the case with visual portraits panegyrics operate according to a code of cultural norms that tell us at least as much about the society that produced them as the individuals they portray Looking at the phenomenon of panegyric in Mediterranean Jewish culture from several overlapping perspectives social historical ethical poetic political and theological he finds that they offer representations of Jewish political leadership as it varied across geographic area and evolved over time Decter focuses his analysis primarily on Jewish centers in the Islamic Mediterranean between the tenth and thirteenth centuries and also includes a chapter on Jews in the Christian Mediterranean through the fifteenth century He examines the hundreds of panegyrics that have survived some copied repeatedly in luxurious anthologies others discarded haphazardly in the Cairo Geniza According to Decter the poems extolled conventional character traits ascribed to leaders not only diachronically within the Jewish political tradition but also synchronically within Islamic

and to a lesser extent Christian civilization and political culture *Dominion Built of Praise* reveals more than a superficial and functional parallel between Muslim and Jewish forms of statecraft and demonstrates how ideas of Islamic political legitimacy profoundly shaped the ways in which Jews conceptualized and portrayed their own leadership **Beguiling Guidance**

Adena Tanenbaum, 2025-09-22 The only Hebrew picaresque *maq ma* from Yemen *Sefer hamusar* captivates its readers with trickster tales of wandering and adventure while offering moral guidance and a spiritual ascent via kabbalistic study In *Beguiling Guidance* Adena Tanenbaum explores these tensions along with the literary social historical philosophical and kabbalistic aspects of *Sefer hamusar* and situates the work in its broader 16th century framework Applying a fresh reading she analyzes *Al hir s maq ma* as a rich repository of intellectual history treats his travel narratives as composites of fiction and fact and uncovers the cultural assumptions and self definitions underlying his representations of Muslims which she shows to be far more variegated and nuanced than previously acknowledged *Beguiling Guidance* should appeal to readers interested in transregional cultural exchange and the diffusion of texts pre modern fiction and travel writing and Muslim Jewish power relations in the late medieval early modern Middle East It also serves as an introduction to the vibrant culture of a Jewish community that traced its presence in South Arabia back to antiquity [A Short History of the Jewish People](#)

[Jewish Tradition](#) Sara Manasseh, 2016-12-05 Sara Manasseh brings a significant but less widely known Jewish repertoire and tradition to the attention of both the Jewish community Ashkenazi Sephardi Oriental and the wider global community The book showcases thirty one songs and includes English translations complete Hebrew texts transliterations and the music notation for each song The accompanying downloadable resources include eighteen of the thirty one songs sung by Manasseh accompanied by ud and percussion The remaining thirteen songs are available separately on the album *Treasures* performed by *Rivers of Babylon* directed by Manasseh www.riversofbabylon.com While in the past a book of songs with Hebrew text only was sufficient for bearers of the tradition the present package represents a song collection for the twenty

first century with greater resources to support the learning and maintenance of the tradition Manasseh argues that the strong inter relationship of Jewish and Arab traditions in this repertoire linguistically and musically is significant and provides an intercultural tool to promote communication tolerance understanding harmony and respect The singing of the Shbahothe the Baghdadian Jewish term for Songs of Praise has been a significant aspect of Jewish life in Iraq and continues to be valued by those in the Babylonian Jewish diaspora

City of Song Michael A. Figueroa, 2022 Modern Jerusalem a city central to Jewish Muslim and Christian religious imaginaries and the political epicenter of the Israeli Palestinian crisis is to put it mildly a highly contested space More surprising perhaps is that its musical landscape not only reflects these rifts but also helped to define them as the ancient city transitioned to modernity during the twentieth century In *City of Song Music and the Making of Modern Jerusalem* author Michael A Figueroa argues that musical renderings of Jerusalem have been critical to the formation of Israeli political consciousness The book demonstrates how Israeli songwriters helped to shape their public's territorial imagination creating images of a city at once heavenly and earthly that dwells in longing that must not be forgotten that compels one to bereave the dead that represents the fulfilment of prophecy and that is the site of immense cultural diversity The dynamic history of its representation in lyrics and music helps dispel any notion that the Israeli Palestinian crisis is timeless intractable and based on static essential identities while there are continuities across historical divides radical change constantly transpires *City of Song* combines analyses of musical meaning political discourse and public performance over the long twentieth century 1880s 2010 to reveal how the Israeli Palestinian crisis territorial fixation on Jerusalem has been constructed historically contingent and subject to artistic intervention in modernity Through a musical history of Jerusalem Figueroa introduces a novel humanities centered approach to one of the world's most contested cities and one of the defining cultural and political questions of our era

The Arthurian World Victoria Coldham-Fussell, Miriam Edlich-Muth, Renée Ward, 2022-06-30 This collection provides an innovative and wide ranging introduction to the world of Arthur by looking beyond the canonical texts and themes taking instead a transversal perspective on the Arthurian narrative Together its thirty four chapters explore the continuities that make the material recognizable from one century to another as well as transformations specific to particular times and places revealing the astonishing variety of adaptations that have made the Arthurian story popular in large parts of the world Divided into four parts *The World of Arthur in the British Isles* *The European World of Arthur* *The Material World of Arthur* and *The Transversal World of Arthur* the volume tracks the legends

movement across temporal geographical and material boundaries Broadly chronological each part views the unfolding Arthurian story through its own lens while temporal and geographical overlaps between the sections underscore the proximity of these developments in the legend's history Ranging from early Latin chronicles and Welsh poetry to twenty first century anime and political conspiracies this comprehensive and illuminating book will be of interest to anyone researching Arthurian literature or tracing the evolution of medievalism through literature the visual arts and popular culture Sufism and Jewish-Muslim Relations Yafia Katherine Randall, 2016-03-31 In Israel there are Jews and Muslims who practice Sufism together The Sufi activities that they take part in together create pathways of engagement between two faith traditions in a geographical area beset by conflict Sufism and Jewish Muslim Relations investigates this practice of Sufism among Jews and Muslims in Israel and examines their potential to contribute to peace in the area It is an original approach to the study of reconciliation situating the activities of groups that are not explicitly acting for peace within the wider context of grass roots peace initiatives The author conducted in depth interviews with those practicing Sufism in Israel and these are both collected in an appendix and used throughout the work to analyse the approaches of individuals to Sufism and the challenges they face It finds that participants understand encounters between Muslim and Jewish mystics in the medieval Middle East as a common heritage to Jews and Muslims practising Sufism together today and it explores how those of different faiths see no dissonance in the adoption of Sufi practices to pursue a path of spiritual progression The first examination of the Derekh Avraham Jewish S f Order this is a valuable resource for students and scholars of Sufi studies as well as those interested in Jewish Muslim relations **A Tale of Two Factions** Jane Hathaway, 2012-02-01 Winner of the 2003 Ohio Academy of History Outstanding Publication Award This revisionist study reevaluates the origins and foundation myths of the Faqaris and Qasimis two rival factions that divided Egyptian society during the seventeenth and eighteenth centuries when Egypt was the largest province in the Ottoman Empire In answer to the enduring mystery surrounding the factions origins Jane Hathaway places their emergence within the generalized crisis that the Ottoman Empire like much of the rest of the world suffered during the early modern period while uncovering a symbiosis between Ottoman Egypt and Yemen that was critical to their formation In addition she scrutinizes the factions foundation myths deconstructing their tropes and symbols to reveal their connections to much older popular narratives Drawing on parallels from a wide array of cultures she demonstrates with striking originality how rituals such as storytelling and public processions as well as identifying colors and emblems could serve to reinforce factional identity The Routledge Handbook of Muslim-Jewish Relations Josef Meri, 2016-06-23 The Routledge Handbook of Muslim Jewish Relations invites readers to deepen their understanding of the historical social cultural and political themes that impact modern day perceptions of interfaith dialogue The volume is designed to illuminate positive encounters between Muslims and Jews as well as points of conflict within a historical framework Among other goals the volume seeks to correct common misperceptions about the history of Muslim Jewish relations by complicating familiar

political narratives to include dynamics such as the cross influence of literary and intellectual traditions Reflecting unique and original collaborations between internationally renowned contributors the book is intended to spark further collaborative and constructive conversation and scholarship in the academy and beyond
