Africa's Social and Religious Quest Randee Ijatuyi-Morphé, 2014-01-30 This well crafted book probes the key dimensions of Africa s existential predicament It constitutes an intellectual response to a gnawing African situation the starting point for grasping Africa s social and religious quest Beyond split explanations of external versus internal factors e g colonization slavery vs leadership cultural values this study accounts more comprehensively for emergent issues shaping this situation The situation reflects a gamut of problems in traditional African religion and material culture which hitherto defines African communality polities and destinies vis vis the cosmos and nature Thus African religion and communities each with its own attendant values do not operate by critical engagement with larger issues of society and civilization especially those shaped by the advent of post modernity Rather they operate via adaptation The communal drive for natural and social harmony inevitably produces a preservationist view of culture leaving things as they are This study takes an integrative approach to religion society and civilization eschews dichotomies and broadly defines and re signifies life and wholeness as a true end of Africans quest today

African Pentecostalism Ogbu Kalu, 2008-03-31 Across Africa Christianity is thriving in all shapes and sizes But one particular strain of Christianity prospers more than most Pentecostalism Pentecostals believe that everyone can personally receive the gifts of the Holy Spirit such as prophecy or the ability to speak in tongues In Africa this kind of faith in which the supernatural is a daily presence is sweeping the continent Today about 107 million Africans are Pentecostals and the numbers continue to rise In this book Ogbu Kalu provides the first ever overview of Pentecostalism in Africa He shows the amazing diversity of the faith which flourishes in many different forms in diverse local contexts While most people believe that Pentecostalism was brought to Africa and imposed on its people by missionaries Kalu argues

emphatically that this is not the case Throughout the book he demonstrates that African Pentecostalism is distinctly African in character not imported from the West With an even handed approach Kalu presents the religion s many functions in African life Rather than shying away from controversial issues like the role of money and prosperity in the movement Kalu describes malpractice when he sees it The only book to offer a comprehensive look at African Pentecostalism this study touches upon the movement s identity the role of missionaries media and popular culture women ethics Islam and immigration The resulting work will prove invaluable to anyone interested in Christianity outside the West *WISDOM* Ruphina Folayemi Ojo Adesan,2018-05-21 *WISDOM* eBook produced by Wisdom Consultancy Ltd is full of wisdom to be gleaned for a victorious living It has interesting and informative human angle and general interests stories personality interviews historical articles and Bible led faith stories of personal encounters In this edition read all about the profile of the founder of the Redeemed Christian Church of God Worldwide Ondo Kingdom Day Celebrations and inspirational stories of how to unlock your potentials The wife of the Executive Governor of Benue State HE Arc Mrs DY Suswam also featured in an exclusive interview
