Christianity and Controversies over Homosexuality in Contemporary Africa Ezra Chitando,Adriaan van Klinken,2016-05-12 Issues of homosexuality are the subject of public and political controversy in many African societies today Frequently these controversies receive widespread attention both locally and globally such as with the Anti Homosexuality Bill in Uganda In the international media these cases tend to be presented as revealing a deeply rooted homophobia in Africa fuelled by religious and cultural traditions But so far little energy is expended in understanding these controversies in all their complexity and the critical role religion plays in them Complementing the companion volume Public Religion and the Politics of Homosexuality in Africa this book investigates Christian politics and discourses on homosexuality in sub Saharan Africa The contributors present case studies from various African countries from Nigeria to South Africa and from Cameroon to Uganda focusing on Pentecostal Catholic and mainline Protestant churches They critically examine popular Christian theologies that perpetuate homophobia and discrimination but they also discuss contestations of such discourses and emerging alternative Christian perspectives that contribute to the recognition of sexual diversity social justice and human rights in contemporary Africa *Public Religion and the Politics of Homosexuality in Africa* Adriaan van Klinken,Ezra Chitando,2016-04-14 Issues of same sex relationships and gay and lesbian rights are the subject of public and political controversy in many African societies today Frequently these controversies receive widespread attention both locally and globally such as with the Anti Homosexuality Bill in Uganda In the international media these cases tend to be presented as revealing a deeply rooted homophobia in Africa fuelled by religious and cultural traditions But so far little energy is expended in understanding these controversies in all their complexity and the critical role religion plays in them This is the first book with multidisciplinary perspectives on religion and homosexuality in Africa It presents case studies from across the continent from Egypt to Zimbabwe and from Senegal to Kenya and covers religious traditions such as Islam Christianity and Rastafarianism The contributors explore the role of religion in the politicisation of homosexuality investigate local and global mobilisations of power critically examine dominant religious discourses and highlight the emergence of counter discourses Hence they reveal the crucial yet ambivalent public role of religion in matters of sexuality social justice and human rights in contemporary Africa Nigerian Pentecostalism and Development Richard Burgess,2020-04-06 This book examines the contributions both intentional and unintentional of Nigerian Pentecostal churches and NGOs to development studying their development practices broadly in relation to the intersecting spheres of politics economics health education human rights and peacebuilding In sub Saharan Africa Pentecostalism is fast becoming the dominant expression of Christianity but while the growth and civic engagement of these churches has been well documented their role in development has received less attention The Nigerian Pentecostal landscape is one of the most vibrant in Africa Churches are increasingly assuming more prominent roles as they seek to address the social and moral ills of contemporary society often in fierce competition with

Islam for dominance in Nigerian public space Some scholars suggest that the combination of an enchanted worldview an emphasis on miracles and prosperity teaching and a preoccupation with evangelism discourages effective political engagement and militates against development However Nigerian Pentecostalism and Development argues that there is an emerging movement within contemporary Nigerian Pentecostalism which is becoming increasingly active in development practices This book goes on to explore the increasingly transnational approach that churches take often seeking to build multicultural congregations around the globe for instance in Britain and the United States Nigerian Pentecostalism and Development Spirit Power and Transformation will be of considerable interest to scholars and students concerned with the intersection between religion and development and to development practitioners and policy makers working in the region

Les Églises d'initiative africaine Hannes Wiher,2019-12-31 La littérature sur le thème des églises d'initiative africaine est très abondante en anglais mais ce phénomène n'est pas encore un sujet de réflexion très abordé et approfondi dans le monde francophone Il suscite souvent des réactions stéréotypées et négatives qui contrastent avec l'appréciation positive des membres et des promoteurs des églises d'initiative africaine Comment faut-il donc voir ce mouvement d'envergure croissante Cet ouvrage donne la parole la fois aux membres et missiologues issus des églises d'initiative africaine et aux voix extérieures pour présenter ce phénomène en faisant une description puis une valuation de la contextualisation faite par ces églises et mouvements Ce deuxième texte en français sur les églises d'initiative africaine rédigé dans une perspective vangelique est le fruit d'un travail collectif des doctorants en missiologie de la Faculté de théologie vangelique de Bangui au Cameroun largi quelques missiologues du Réseau vangelique de missiologues pour la francophonie Il intéressera tous ceux qui désirent mieux connaître les églises d'initiative africaine

THE WONDERS OF PRAISE O. V. O. AYOOLA,2014-09-22 *The Wings of Faith* Lois Egowunma Usonwu,2014-10-17 The background to the Wings of Faith was introduced with a divine call through a dream in which the Lord mandated the writer to effectively share her faith in writing with testimonies of the several wonderful things the Lord has done in her life in response to her faith in Jesus Christ and her prayers and cries to God for help in every areas of her challenges from which she has found relevance and purpose in life as referenced in Philemon 1:6 That the communication of thy faith may become effectual by the acknowledging of every good thing which is in you in Christ Jesus The Wings of Faith is a catalogue of testimonies of my faith testifying that since I gave my life to Christ through faith in the name of Jesus as the Son of God and as my Lord and personal Savior through confession and repentance and forsaking of my sins and baptism by immersion daily reading and studying of the Bible and prayer and fellowship with the brethren and faith in the word of God which I communicate to God through prayer by the help of the Holy Spirit my life has never been the same again The Word of God that I pray with bears fruit which results to testimonies As a widow God has shown me his faithfulness as the husband of the widow and as the father of the fatherless to my children He has pleaded my case against opposition defended the cause of my children did not leave us as orphans but revealed things to come so as to warn us

relieved us of burdens provided for us healed us intervened in very difficult situations and made ways of escape for us helped us and sent helpers to us raised us up from the dust lifted us up from the ash heap brought us out of darkness and translated us into his marvelous light that we should show forth his praises This is the praise of God the testimony of Jesus that he called us to bear fruits of testimony to bring glory to his name and encourage people who hear our testimonies to have faith in God by believing in the name of Jesus Christ his Son so that Jesus Christ in turn will draw them to the Father who is pleased to give us the kingdom that through faith in the name of Jesus we might reign with him in his kingdom and live eternally to the glory of God

African Culture and Global Politics Toyin Falola, Danielle Sanchez, 2014-01-10 This volume attempts to insert itself within the larger discussion of Africa in the twenty first century especially within the realm of world politics Despite the underwhelming amount of attention given to Africa s role in international politics in popular news sources it is evident that Africa has a consistent record of participating in world politics one that pre dates colonization and continues today In continuance of this legacy of active participation in global political exchanges Africans today can be heard in dialogues that span the world and their roles are impossible to replace by other entities It is evident that a vastly different Africa exists than ones that bolster images of starvation corruption and compliance The essays in this volume center on Africa and Africans participating in international political discourses but with an emphasis on various forms of expression and philosophies as these factors heavily influence Africa s role as a participant in global politics The reader will find a

variety of essays that permeate surface discussions of politics and political activism by inserting African culture rhetoric philosophies into the larger discussion of international politics and Africa's role in worldwide political social and economic debates
