

RCIA Study Guide

Catechumenate- In the second stage of the RCIA process is called the Catechumenate stage. The participants in this stage are called chumates and continue to meet weekly, but are still dismissed Sundays after the homily, for the purpose of pondering the word of God and applying it to their life. They are now taught moral and doctrine catechesis. This stage begins in November and ends in lent. They are then given the rite of sending.

Shady Jobs- In order to participate in the RCIA process, there are certain jobs that people could not have. You could not be a gladiator, pimp, prostitute, soldier, or actor/ actress. You had to change your profession if you wanted to join the Christian faith.

9 readings- There are 9 readings during Holy Saturday, which is also known as the Easter Vigil. These readings are from the creation to the resurrection of Jesus. This mass is the longest and most sacred mass. A bonfire is lit and the Pascal candle is used to spread the fire. This is also when the RCIA people are baptized.

Mystagogy- This is the last stage of the RCIA process and means "mysteries". This process lasts 50 days and is white on the liturgical calendar. During this stage the participants are called neophytes, and are still meeting weekly. They are taught about the mission and the ministry of the church, so that when they are full Christians they are fully aware where they are needed and what they would be good at. They now receive envelopes, which teaches them where the donations of the church go. The main goal of this stage is to make the neophytes want ownership in the church.

Market place- After Christianity was banned and they were being persecuted, this is where they preached, and invited people to their agape meals. This was very dangerous because they were being persecuted.
