What Every Seventh-Day Adventist Should Know About the Shepherd's Rod Garrick D. Augustus, 2018-08-09 If you are a Seventh day Adventist Christian you have no doubt heard of The Shepherd's Rod a message of present truth and reform first presented to leaders of the Seventh day Adventist Church in the years 1929 and 1930 It has created much controversy In *What Every Seventh day Adventist Should Know about The Shepherd's Rod* author Garrick D Augustus brings to light the historic and the theological reasons behind the rejection of The Shepherd's Rod message It exposes the systematic misinformation as well as the willful manipulations of the facts surrounding Victor Houteff and the movement he began more than eight decades ago It provides clear and accurate answers to the questions raised against the Rod's message And it answers the objections church leaders have historically offered as proof against its bearing the credentials of inspiration Augustus fused the forensic methods of evidence analytics as well as the investigative method of internal evidence analysis to the claims brought against the message by the leaders of the Seventh day Adventist Church His research took him from the Heritage Library in Loma Linda California to The Biblical Research Committee in Silver Spring Maryland and beyond *What Every Seventh day Adventist Should Know about The Shepherd's Rod* journeys through the pages of history and helps to separate truth from propaganda It takes a fresh look at an old controversy that began in eternity past and has played itself out in the rank and file of Seventh day Adventism

started missionary work in that broad area up to two generations before The Battle for Your Heart Ronald W. Busby, I am encouraged by the author's appeal from the beginning to the end of his book for readers to be aware of their personal relationship with Christ Dr Busby shows throughout that God's prophecies and promises found fulfillment in a history I can check for myself That being true for the past I can also rest assured that what God has promised and predicted for the future will happen without fail in His own time and way Rhoda Wills Retired Teacher Dr Busby's The Battle for Your Heart is not only a good read but an excellent book to add to your library Whether you've studied the book of Revelation for many years or have never given it your personal study this thought provoking verse by verse walk through Revelation's 22 chapters includes not only details you may have missed in your earlier studies but adds a big picture dimension to this last book of the Bible I was blessed Judi Seeders Retired from Review and Herald Publishing Association A must read for every Adventist who is looking for the soon return of Jesus You will be challenged and will understand how to be prepared for the soon appearance of our Lord and Savior The Battle for Your Heart is an excellent study for any individual for family worship and small group study Gail V Lane Head Deaconess Retired Business Owner I am amazed by this book Ron Busby's use of the Bible and the Spirit of Prophecy is both informative and clear The Battle for Your Heart takes the reader through the books of Revelation Daniel and Ezekiel along with supportive information I not only gained greater insight into the raging controversy that surrounds us today but found throughout every page God's deep everlasting love for us shining through Larry Sharon Church Elder **Levite Praise** Cheryl Wilson-Bridges, 2013-01-09 Levite Praise delves deeply into the Scriptures to help worship leaders and worshipers develop a full understanding of what it means to direct and take part in God's perfect model for praise and worship It addresses the differences of opinion on the topic and offers biblical counsel with regard to how praise and worship should be carried out and how its leadership should be organized Seventh-day Adventist Attitudes Toward Roman Catholicism, 1844-1965 Reinder Bruinsma, 1994 From its beginnings the Seventh day Adventist Church has emphasized apocalyptic prophecy and the role of Roman Catholicism in the biblical books of Daniel and Revelation In this first major study of the topic Bruinsma looks at the origin and unique features of Seventh day Adventist attitudes toward the Roman Church examines factors which explain these continuing views and analyzes Adventism's place in Protestantism Christian Remnant-African Folk Church Stefan Höschele, 2007-01-01 Tanzanian Adventism exemplifies one of the most fascinating shifts in the history of religions the growth of Christianity in Africa Most striking in this account is the analysis of a minority denomination's transformation to a veritable folk church **Religion: A Clinical Guide for Nurses** Elizabeth Johnston Taylor, 2012-03-07 Named a 2012 PROSE Award Honorable Mention in the Nursing views on health and suffering explanations for disease beliefs and practices related to birthing childrearing and dying healing rituals corporate religious resources for the sick and more Prefacing this information are chapters discussing clinical aspects of addressing religion at the bedside These include strategies for sensitive and respectful communication about religion with patients assessing a

Christian Politics in Oceania Matt Tomlinson, Debra L. McDougall, 2013 The phrase Christian politics evokes two meanings political relations between denominations in one direction and the contributions of Christian churches to debates about the governing of society The contributors to this volume address Christian politics in both senses and argue that Christianity is always and inevitably political in the Pacific Islands Drawing on ethnographic and historical research in Papua New Guinea Solomon Islands Vanuatu and Fiji the authors argue that Christianity and politics have redefined each other in much of Oceania in ways that make the two categories inseparable at any level of analysis The individual chapters vividly illuminate the ways in which Christian politics operate across a wide scale from interpersonal relations to national and global interconnections
