Jones,2011-10-18 Volume 2 Aaron Jones began writing lyrical poetry in the late 1980s He was inspired by his brother Eddie s band to compose his poems in the form of songs The title of this poetry collection Lyrics in Search of Music was inspired by the fact that Eddie could not write music to words already written Jones hopes that by offering up his collection at least one of his poems will have life breathed into it finally pairing his poetry with the right music This is his fondest dream But Not If You Depart You say you have no reason to live But can you tell me why Why you think you have no more to give You have to give love to get love Thats what Im trying to tell you That love you are undeniably worthy of If you end it all now it wont hurt you at all It will
