

A detailed still life painting serves as the background for the book cover. In the center is a human skull, resting on a green cloth. To the left of the skull is a pocket watch with its cover open, showing the face and hands. To the right is a magnifying glass. In the foreground, there are several coins and a small chain. In the background, there is a book and a small vase with flowers. The overall tone is somber and reflective, fitting the title of the novel.
