Handbook of Police Psychology Jack Kitaeff, 2011-03-17 The Handbook of Police Psychology represents the contributions of over thirty police psychologists all experts in their field on the core subject matters of police psychology Police psychology is broadly defined as the application of psychological principles and methods to law enforcement This growing area includes topics such as screening and hiring of police officers conducting screening for special squads e g SWAT fitness for duty evaluations investigations hostage negotiations training and consultation and stress counseling among others The book examines the beginnings of police psychology and early influences on the profession such as experimental investigations of psychological testing on police attitude and performance Influential figures in the field of police psychology are discussed including the nation's first full time police psychologist who served on the Los Angeles Police Department and the first full time police officer to earn a doctorate in psychology while still in uniform with the New York Police Department *Monthly Catalogue, United States Public Documents*, 1992 [Monthly Catalog of United States Government Publications](#) United States. Superintendent of Documents, 1991 **Document Retrieval Index**, 1972 **Subject Catalog of the Institute of Governmental Studies Library, University of California, Berkeley** University of California, Berkeley. Institute of Governmental Studies. Library, 1978 *21st Century Sociology: A Reference Handbook* Clifton D. Bryant, Dennis L. Peck, 2007 Publisher Description [Police](#) United States. National Advisory Commission on Criminal Justice Standards and Goals, 1973 This report provides suggestions for overall improvement in delivery of police services for greater protection against crime The National Advisory Commission on Criminal Justice Standards and Goals considers the patrolman the primary force in reducing and preventing crime and thus directs its report recommendations toward increasing police effectiveness Suggestions for improvements in police functions are presented in the areas of community planning and organization technology and support services fiscal management and coordination with other criminal justice agencies These proposals appear in the form of more than 120 specific standards and recommendations that spell out where why and how these improvements can and should be made in the police segment of the criminal justice system Report on police is a reference work for the practitioner patrolman to police chief as well as for the interested layman Before implementing any of the changes advocated police departments are advised to detail the legal limits of police authority and develop guidelines for the exercise of that authority In order to improve cooperation between the police and the community it is suggested that police agencies establish a specialized unit for maintaining communication with citizens Each police department should encourage and participate in neighborhood security programs and establish procedures to facilitate processing of complaints Suggestions for more effective utilization of manpower include continued consolidation stricter personnel requirements increased employee benefits and the employment of more women minorities and civilians in police work **Canadian Policing in the 21st Century** Robert Christmas, 2013-09-01 How can police remain effective and vital in an era of

unprecedented technological advances access to information and the global transformation of crime Written by a long serving officer Canadian Policing in the 21st Century offers a rare look at street level police work and the hidden culture behind the badge Robert Christmas shares experiences from his years of service to highlight areas where police can more effectively enforce laws and improve relations with the communities they serve He proposes tactics for addressing widespread social issues such as gang and domestic violence and strategies for cooperating in international networks tackling human trafficking internet based child exploitation organized crime and terrorism Christmas stresses how changing demographics related to age gender and racial diversity and increased dangers and demands require intensified training and higher education in policing He highlights the need for more effective collaborative relationships between police and local provincial and federal governments non government agencies and their communities While the principles and goals of policing remain largely unchanged police challenges tools and strategies have evolved dramatically Christmas s vantage point as an officer and a scholar provides an illuminating account of the Canadian justice system and road maps to future success
