Spirit and Soul Theodore Kirkland,2017-06-27 The deputy superintendents remarks were degrading and insulting He thought that my soul could be bought for being allowed the privilege to walk through the front door at Elmira Prison a symbol of status in his mind but not mine The front door of the prison was only a symbol of influence in the minds of fools not in the minds of free men with thoughts based on liberty and equality As a matter of fact the rear was where my ancestors were forced to enter so there is a sense of pride to walk in the footsteps of ones ancestors Mr Superintendent I personally dont give a damn which door I come in Apparently you didnt hear anything I said Its not me I am concerned about I am used to the back doors of America Its those black women and children standing out in the cold waiting to be processed and being denied the decency of using the restroom that concerns me Its not about me Its about decency and what is right I assured him He then told me that he could not change the policy and do anything about the situation at hand but that he could take care of me and make it more convenient and comfortable for me when I come back to Elmira I thought of the times I heard the line We can take care of you but we cant do anything about all those others As a police officer and head of the black police organization I had heard

this more times than I care to remember from police officials elected officials politicians businessmen and now a prison superintendent But it wasn't until that moment standing in the gym at Elmira Prison that I realized how much their use of others sounded so much like niggers      A New Variorum Edition of Shakespeare: The life and death of King John. 1919

LIBRARY USE ONLY      **Through the Eyes of a Lost Soul** Tony Egbuna Ford, 2006-09-01 It is said that the eyes are the windows to the soul Well what would it say of your soul if your eyes had been viewing a form of hell for a span of 12 years For the average person they most likely would have become a reflection or victim of their surroundings But today we are not dealing with your average person This collection of writings is a candid and vivid look into the mind emotions thoughts and experiences of one of Texas Death Row's most valiant and undervalued political prisoners Without fear Tony bares what makes him weak and strong unconcerned with embarrassment or ridicule These stories tell the tale of America's biggest contradiction These stories tell the tale of hope and hopelessness battling each other They tell the tale of a man who has found himself and the reason to love life intensely      **Strengthen your Soul** Fr Andreas Konanos, 2013-06-05 You always deserve your self worth And you deserve it because you are a creature of God His creation Because God loves you and the whole heaven watches over you takes care of you and gives you importance Even if no one calls you on the phone for a whole day even if no one speaks to you there is a tremendous power inside you You have value and personality You are a unique being and there is no one like you anywhere on earth No one is like you no one has your traits your gifts and talents but on the other hand no one has your problems your peculiarities and your character in general You are who you are and you have your own value Jesus loves you and gives you importance He wants to strengthen you How can this be done With all the ups and downs One moment you feel that you have Christ and the next you feel you are losing Him He comes and goes This is exactly what His disciples felt after the Resurrection when desperate and lost in their thoughts they were walking towards Emmaus As soon as they had just started feeling their heart aflame for Him He had shared the bread with them but as soon as they had started understanding the Lord He once more went away from them Why To make them stronger He only left a sweet sensation in their soul warmth faith and power To make them believe to touch and to feel the invisible as present To make them feel that they hold the One who goes away but leaves behind Him His fragrance His sweetness His zeal and the yearning for Him Christ wants us to love Him but without having the feeling of certainty that we hold Him He does not want to give us certainty but leaves us suspended where we can experience the most exciting flights make the most beautiful patterns in the sky of His love and in the sea of life where we are swimming in its waves You may think that you don't know where you are going in this vast ocean Then He tells you Let the wind carry you away But I have no compass I feel I have nothing Just give in and something good will come out of it The proceeds from the sale of this book will be donated for the
