*By*

**QAISAR ABBAS\***

### **Abstract:**

This paper seeks to understand and critically examine various aspects of law relating to termination of pregnancies in certain circumstances, in Pakistan. Although the law on the subject was modified in 1997 following the judgment of the Supreme Court yet there are certain lacunas and inconsistencies in the existing law and it does not address the ever cropping exigencies of the contemporary society. After having a brief survey of the law on the subject in various other Muslim countries, it has been humbly suggested that the present law should be modified in certain ways to avoid such eventualities that impede the road to justice. In doing so, the basic principles of Muslim Jurisprudence have been adhered to, because any law in Pakistan can not survive if it is found/declared repugnant to the injunctions of Islam by the courts of competent jurisdiction.

ABORTION has been a controversial subject throughout the history due to religious,<sup>1</sup> moral and ethical<sup>2</sup> variations that surround it. Although abortion is commonly practised throughout most of the world and has been practised since long before the beginning of recorded history<sup>3</sup> despite legal and moral

MacNair, 2006-01-20 We need a new way of seeing Jennifer Ferguson South African musician Former MP African National Congress Is abortion on demand a woman's right or a wrong inflicted on women Is it a mark of liberation or a sign that women are not yet free From Anglo-Irish writer Mary Wollstonecraft to Kenyan environmentalist and 2004 Nobel Peace Prize laureate Wangari Maathai many eighteenth through twenty-first century feminists have opposed it as violence against fetal lives arising from violence against female lives This more inclusive surprisingly old but new vision of reproductive choice is called prolife feminism This book's original edition in 1995 offered brilliant essays on abortion and related social justice issues by the likes of suffragists Susan B. Anthony and Elizabeth Cady Stanton and civil rights leader Fannie Lou Hamer A decade of activism and research since has made this second greatly expanded second edition necessary It not only documents the continuing evolution of prolife feminism worldwide but more accurately represents the rich diversity of past and present women and men who have stood up for both mother and child It thus is a vital unique resource for peacemaking in the increasingly globalized abortion war      **The Victims' Revolution**

Bruce Bawer, 2023-03-14 Gender ideology The anti racism craze The MeToo movement Sanctuary cities These are among the building blocks of our new woke world which during the last few years seemed to explode out of nowhere But it didn't emerge from nowhere It originated on the campuses of some of our most respected colleges and universities Over the past several decades more and more faculty members at those institutions have exchanged humanism for radicalism Rejecting the search for truth they've become purveyors of ideology They're no longer teachers but propagandists once devoted to the spread of knowledge they now focus on power dynamics seeing oppression everywhere and viewing everyone around them through the lens of group identity Among the most egregious consequences of this intellectual transformation has been the increasing prominence and power of disciplines called identity studies among them Women's Studies Black Studies Queer Studies and even more recently Fat Studies and Whiteness Studies In *The Victims Revolution* Bruce Bawer gives us the first true history of this phenomenon He takes us on a tour of the campuses classrooms and conferences where we see and hear professors proudly pushing these new orthodoxies On every page we can observe the origins of the virus that in the past decade has escaped from the ivory tower and infected the whole Western world *We Gather Together* Neil J.

Young, 2015-10-01 Tracing the interactions among evangelicals Catholics and Mormons from the 1950s to the present day *We Gather Together* recasts the story of the emergence of the Religious Right showing that it was not a brilliant political strategy of compromise and coalition building hatched on the eve of a history altering election Rather it was the latest iteration of a much longer religious debate that had been going on for decades Evangelicals Catholics and Mormons found common cause and pursued similar ends in debates about abortion school prayer the Equal Rights Amendment and tax exemptions for religious schools but they were far from a unified bloc cracks in the alliance shaped the movement from the very beginning This provocative book will reshape our understanding of the most important religious and political movement of the last 30 years

*Fatal Misconception* Matthew James Connelly, 2008 Listen to a short interview with Matthew Connelly Host Chris Gondek Producer Heron Crane *Fatal Misconception* is the disturbing story of our quest to remake humanity by policing national borders and breeding better people As the population of the world doubled once and then again well meaning people concluded that only population control could preserve the quality of life This movement eventually spanned the globe and carried out a series of astonishing experiments from banning Asian immigration to paying poor people to be sterilized Supported by affluent countries foundations and non governmental organizations the population control movement experimented with ways to limit population growth But it had to contend with the Catholic Church's ban on contraception

and nationalist leaders who warned of race suicide The ensuing struggle caused untold suffering for those caught in the middle particularly women and children It culminated in the horrors of sterilization camps in India and the one child policy in China Matthew Connelly offers the first global history of a movement that changed how people regard their children and ultimately the face of humankind It was the most ambitious social engineering project of the twentieth century one that continues to alarm the global community Though promoted as a way to lift people out of poverty perhaps even to save the earth family planning became a means to plan other people s families With its transnational scope and exhaustive research into such archives as Planned Parenthood and the newly opened Vatican Secret Archives Connelly s withering critique uncovers the cost inflicted by a humanitarian movement gone terribly awry and urges renewed commitment to the reproductive rights of all people

### **Pro Life Debate Paper Introduction**

In today's digital age, the availability of Pro Life Debate Paper books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Pro Life Debate Paper books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Pro Life Debate Paper books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Pro Life Debate Paper versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Pro Life Debate Paper books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Pro Life Debate Paper books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Pro Life Debate Paper books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital

libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Pro Life Debate Paper books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Pro Life Debate Paper books and manuals for download and embark on your journey of knowledge?
