New Dimensions of Diversity in Nordic Culture and Society Jenny Björklund, Ursula Lindqvist, 2016-04-26 In the new millennium categories of identity have become particularly destabilized with the emergence of a new generation of people in the Nordic region who demand more dynamic and fluid identities New Dimensions of Diversity in Nordic Culture and Society reinvestigates the tired concept of diversity to make room for dynamic new realities as well as the ample new questions to which they give rise This volume assumes diversity to be a fundamental feature of Nordic modernity Given that the Nordic countries consistently rank among the world's wealthiest most educated and most egalitarian these case studies provide important counter narratives to prevailing local and global discourses of Nordicness The contributors not only interrogate historical categories of diversity in a Nordic context including gender sex class ethnicity and race they also show how these categories intersect They examine new forms of and platforms for diverse ideas and creative expression including fluid masculinities digital cultures new media and

fashion They question the terms on which the Nordic region's indigenous peoples the Sami and the Greenlandic Inuit as well as stateless people such as the Kurds are brought into Nordic discussions of diversity citizenship and agency and analyze the implications of particular neo nationalist and patriarchal discourses that have emerged since the turn of the century The book draws from a variety of disciplinary perspectives and interdisciplinary fields and will spark productive and critical conversations among all with an interest in the national and regional cultures subcultures and social dynamics that inform modern life in the Nordic region

Prophets of Eternal Fjord: A Novel Kim Leine, 2015-07-13 Winner of the Danish Golden Lauren Award Winner of the Nordic Council Literature Prize Shortlisted for the International DUBLIN Literary Award An ALA RUSA Notable Book Fiction The award winning internationally best selling saga of a Greenlandic community torn apart by the forces of colonialism and the one priest whose wavering guidance will determine its fate From the swarming streets of Copenhagen to the frozen villages of Greenland The Prophets of Eternal Fjord is a grand magisterial story of epic proportion Earning rave reviews and scores of readers across the world Kim Leine's masterpiece sweeping across the sea in a whaler and scurrying panicked from the Great Fire of 1795 arrives on American shores erupting with pathos lust faith lost and found and a cast of characters clinging to life amidst persecution and calamity Idealistic foolhardy Morten Falck the hapless hero is a newly ordained priest sailing to Greenland in 1787 to convert the Inuit to the Danish church He's rejected the prospect of a sleepy posting in a local parish and instead departs for the forsaken Sukkertoppen colony where he will endeavor to convert the locals A town battered by unremittingly harsh winters and simmering with the threat of dissent it is a far cry from the parish he envisioned natives from neighboring villages have unified to reject colonial rule and establish their own settlement atop Eternal Fjord A bumbling and at times terrifically destructive mix of Shakespeare's Falstaff and Nathaniel Hawthorne's Arthur Dimmesdale he's woefully ill prepared to confront this new sect Torn between his instinctive compassion for the rebel congregation perched atop Eternal Fjord and his duty to the church Falck is forced to decide where he belongs His exploits in this brutal backwater include an accidental explosion after a night curled around a keg a botched surgery a love affair with a solitary and fatalistic widow and an apprenticeship with an eager young scholar that ends in tragedy Based on authentic events in the 1780s and 90s The Prophets of Eternal Fjord moves from the quiet rooms of the Copenhagen bourgeoisie to the stark hardscrabble village of the Fjord where Falck finds himself surprisingly at home Kim Leine's textured earthy prose evokes the sting of the cold the itch of the wool and the burn of the roughest swig of aquavit In gritty detail Leine reveals the corrosive effects of colonial rule both on the colonized bitterly ground down as they are and on the colonizers compromised and corrupted by their baseless power In rich Dickensian descriptions Leine charts the tragic events that intertwine seemingly disparate lives illuminating the brutal and tender impulses of those seeking redemption and the shifting line between religion and mysticism The Prophets of Eternal Fjord is a visceral panorama of a fragile colony caught in the throes of history marking the American debut of a major international writer

The Missionary, the Catechist and the Hunter Christina Petterson, 2014-05-08 The Missionary the Catechist and the Hunter examines the role of Protestantism in the Danish colonization of Greenland and shows how the process of colonization entails a process of subjectification where the identity of indigenous population is transformed The figure of the hunter commonly

regarded as quintessential Inuit figure is traced back to the efforts of the Greenlandic intelligentsia to distance themselves from the hunting lifestyle by producing an abstract hunter identity in Greenlandic literature

The Greenland Dilemma Martin Breum, 2015-05-20 This book is about Greenland s rapidly changing role in the world and about it s complex connections to Denmark its former colonizer It is about Greenland s possible secession from the Kingdom of Denmark oil uranium and the difficulties that Greenlanders and Danes often have when they try to talk about their common past and Greenland s place in the new global future The first part of this book builds on my travels and encounters with Greenland s politicians fishermen schoolteachers and intellectuals including my old classmate from Maniitsoq who became a very wise vicar in her hometown and now appears in chapter 3 Through all these conversations I learned just how dramatic the present wave of changes in Greenland are Never before did I

understand just how complex the desire for increased independence is or how dramatic the clashes between old and new are or how volcanic the debate over which path to choose for the future can be. An insight into these local discussions is surely a prerequisite if one wants to understand the broader discussion about Greenland's future relations to Denmark and its changing role in the world. The second part deals with hard core politics about mining and oil and about the rest of the world's including China's interest in Greenland's oil gas uranium rare earths gold and other riches. This part of the book grapples with the political in fights in Greenland and with the power struggles between Denmark and Greenland over resources foreign policy and identity. Legally for half a century Greenland has been part of the Kingdom of Denmark but also increasingly a very self-conscious one of the sort. My observations flow from my work as a journalist in Greenland and Denmark over the past years where I worked for the Danish Broadcasting Corporation and other media outlets. I am Danish. I lived only two years in Greenland as a teenager but I have come there often in later years. My errand is not to forward any opinion on Greenland's position as a part of the Danish realm nor do I pass judgment on the popular vision of future secession. If anything I hope to throw light on the complexities involved and to encourage more people to take part in this important debate by providing detail real human beings facts and observations from places that would for most people outside Greenland be somewhat cumbersome to reach.

Writing the North of the North / L'Écriture du Nord du Nord / Den Norden des Nordens (be-)schreiben Annie Bourguignon, Konrad Harrer, 2019-11-29. The expression North of the North refers both to an objective geographical reality the territories situated at the highest latitudes on our planet and to a subjective mental construction which came into being many centuries ago and has been developed modified and differentiated ever since. The chapters in the present volume examine various aspects of that concept analysing texts and works of art from a range of regions and periods. La notion de Nord du Nord renvoie tout autant la réalité géographique objective que sont les territoires des latitudes les plus élevées de notre planète qu'une construction mentale subjective qui s'est constituée développée et modifiée au cours du temps. Les contributions du présent volume se proposent d'en explorer les multiples facettes en recourant des textes et œuvres d'art d'époques et de provenances diverses. Der Begriff Norden des Nordens verweist sowohl auf eine objektive geographische Wirklichkeit nämlich die in den höchsten Breitengraden unseres Planeten gelegenen Territorien als auch auf eine subjektive mentale Konstruktion die im Laufe der Zeiten entstanden ist sich fortentwickelt und ausdifferenziert hat. Die im vorliegenden Band enthaltenen Beiträge erforschen die vielfältigen Facetten dieses Begriffs anhand von Texten und Kunstwerken aus verschiedenen Regionen und Epochen.

Romantic Norths Cian Duffy, 2017-06-27. This book explores various forms of cultural influence and exchange between Britain and the Nordic countries in the late eighteenth century and romantic period. Broadly new historicist in approach but drawing also on influential descriptions of genre discipline mediation cultural exchange and comparative methodologies these essays not only constitute a substantial and innovative contribution to scholarly understanding of the development of romanticisms and romantic nationalisms in

Britain and the Nordic countries but also describe a pattern of cultural encounter which was predicated upon exchange and a sense of commonality rather than upon the perception of difference or alterity which has so often been discerned by critical descriptions of British romantic period engagements with non British cultures The volume ought to appeal to a broad and genuinely international academic audience with interests in eighteenth century and romantic period culture in Britain and Scandinavia as well as to undergraduates taking courses in eighteenth century romantic and Scandinavian studies
