**Australians in France** Patrick MacGill,2018-09-27 In this small ebook are but nine chapters which give an Australian perspective of their time spent on the Western Front in France The imperishable deeds of the Commonwealth s glorious soldiers least of all the Australians or Diggers have carved for themselves a deep niche in the topmost towers of the Temple of the Immortals The story of the valour of the Diggers will live throughout the ages and future generations of Australians will speak of them as we do of all the heroic figures of antiquity Their valour has covered Australia with a lustre that shines throughout the world so that her name which in 1914 was little known by 1918 had become a household word in the mouths of all the peoples of the earth The Great War made Australia a young community without traditions a nation acutely and proudly conscious of its nationality Upon that day some hundred years gone when in the grey of early dawn the first Australian soldier leapt upon an unknown shore and in the face of a murderous fire scaled the heights of Gaba Tepe a feat of arms almost unparalleled in the history of war the young Australian Community put on the toga of nationhood and in one stride entered on a footing equal to any other nation in the family of free nations of the earth Gallipoli scene of that most glorious attempt which though falling short of the promised success lost nothing of its greatness thy name is and forever will be held sacred to all When Gallipoli had been given up as a forlorn hope the soldiers of the Commonwealth were relocated to Europe s Western Front when in the Spring of 1918 the great German offensive pressed back and by force of numbers broke

through the sorely tried British line the Australian divisions were hurried down from the North and rushed up to stem the German armies The story of the battles fought by the Australians before Amiens is amongst the most thrilling in the history of this great world conflict Here the fate of civilization was decided The great German army marching along the road in column of route like the armies of Napoleon a hundred years before reached the crest of high land overlooking Amiens and with but a few miles between them and the key to Paris were held up by a veritable handful of Australians later reinforced as the rest of the Divisions came to hand It was the turning of the tide the fighting raged around Villers Bretonneux but the car of the German Juggernaut rolled forward no more An impassable barrier had been set up beyond which the enemy could not pass But the young soldiers of Australia not satisfied with arresting his onward march began to force the Hun back at first slowly and then faster and faster until in the great offensive of August 8 when along with four Divisions of Canadians and two British they swept him back in headlong rout nor gave him pause until breaking through the vaunted Hindenburg line they stood victorious at Beaurevoir The deeds of these brave men will remain forever fresh in the minds of the Commonwealth and Allied nations Australia has reason to be proud of her war effort she has done great things but she has paid a great price That a small community of just five million recruited and sent 330 000 men twelve thousand miles across the seas is a great thing The number dead 57 000 with total casualties 289 723 show how great the price Australia paid for Liberty Indeed it was the new colonies of South Africa New Zealand Australia and Canada which paid a heavy price in war dead It would only be another 21 years before they would be asked to pay yet again

storm and couldn't help but notice how excited Max was to see their ship. She saw in his eyes that he was both curious and interested. It was a spark she knew all too well because it was the same kind of fire that had made her a pirate. Claire walked up to Max and gave him a hand as she talked to him in a voice that was both authoritative and kind. She did this because she wanted to teach young people to be brave and try new things. Ahoy young one. Have you ever dreamed of sailing the endless seas having exciting adventures and figuring out the mysteries of the unknown? Her words full of the wisdom of years at sea struck a deep chord with Max. Max said yes to Claire's offer because he was excited to explore his new connection and go on a trip he had never thought of. She became his teacher and showed him how to be a pirate and how hard it is to sail across the big ocean. From the crow's nest to the bottom of the ship's hull, they looked at every part of The Crimson Wave. This made Max love the ship and its long past. Max ran towards the bay not afraid of the steady rain that was soaking his clothes or the loud thunder that was going off above him. He kept going because he was determined but he didn't know what drove him. When he got close to the dock, his heart was pounding and his breath was quick. A man coming down the ship's gangplank greeted him. It was strange to see an old man with scars on his face from a life spent at sea. His long gray beard fell down to his chest and his eyes shone with knowledge and life that made him look much younger than he was. Max's eyes got big as he looked at the stranger in front of him. He was surprised and interested by what he saw. The old man had a mysterious air about him as if he were carrying the weight of countless stories and tales on his shoulders. Max walked up, his face wet with rain and full of boyish joy. He could tell this was a chance like no other. Max asked, "Who are you?" with a voice full of wonder and hope. The old man's wrinkled face broke into a smile and his eyes showed a hint of mischief. "I am Captain Longbeard," he said, his accent giving him a rough seafaring look. And this, he said, pointing to the ship behind him, is The Crimson Wave, the ship that has sailed the Seven Seas and faced the fiercest storms. Max's heart raced when he heard the name of the ship because it sounded like the names of ships in the stories that had captivated him for years. He had dreamed about these kinds of things about meeting famous leaders by chance and getting his sense of adventure back. When Max stood in front of Captain Longbeard, he felt the weight of fate on his young shoulders. Max talked about his biggest wish with fear and excitement. "I want to be a pirate," he said with a lot of determination in his voice. Captain Longbeard's eyes sparkled with understanding as he looked straight into Max's soul. "Ah, the spirit of a young adventurer," he said with a touch of sadness in his voice. "It's a dangerous path, but it's also full of great discoveries and unimaginable wonders. If you're ready to take on the challenges that lie ahead, I'll welcome you aboard The Crimson Wave." Max's heart soared and in an instant, his hopes and dreams merged with reality. He gave a firm nod; his mind made up. At that moment, he understood that his life would be tied to the legends and myths of the high seas in a way that couldn't be broken. So began Max's adventure as a young pirate, a journey marked by bravery, brotherhood, and the pursuit of possibilities that could not be imagined. Max learned more and more from Captain Longbeard and the rest of the crew of The Crimson Wave as each day went by. He got good at navigating

dangerous seas climbing up and down the ship's rigging and using a cutlass At a time that seemed to go beyond reality an old man's voice ripped through the air and reached Max's ears with a clear sense of urgency Max turned to face the caller and as he did his heart started to pound The old man was standing in front of him with his hand out trying to get him to come closer His wrinkles showed that he had lived a full life and his words were full of knowledge and experience Max couldn't shake the question from his mind Are you brave enough to sail the seas and seek adventure the old man asked echoing Max's deepest hopes and giving him a thrill At that crucial moment it seemed possible to start a life full of exciting adventures and endless possibilities Max's answer was strong and determined and the weight of his goals came through in his voice Yes I want to be a pirate he shouted with a passion that left no room for argument Max's fate changed in an instant setting him on a path that would change the rest of his life forever The old man's eyes lit up with a mix of laughter and admiration as he watched Max's unwavering determination Max was able to face the challenges and wonders that met him on the open seas and he could tell that the young boy's spirit of adventure was burning brightly The old man who turned out to be Captain Longbeard gave Max a nod of approval and welcomed him into his world In this world the oceans hold a lot of secrets and endless potential Max's heart started to beat faster when he understood how bad things were He was about to go on a trip that would try his strength help him make friends for life and show him how strong and resilient he really was After that Max's life was never the same again The people who once gave him shelter and safety would soon be a faraway memory replaced by the rolling waves and salty air that would always be with him Max said goodbye to his old life and stepped bravely onto the deck of The Crimson Wave a ship that was both a physical representation of his goals and a doorway to the unknown As The Crimson Wave set sail Max found himself surrounded by a group of rough but kind pirates They went on exciting adventures that took them through dangerous waters and made them deal with hard problems Max took on the responsibilities that came with his new identity as a pirate He studied the finer points of pirate life like how to raise the sails and look at the stars how to use a sword and how to keep the code of honor that bound the pirates together Max's adventures had become real and every day that went by brought him closer to achieving his goals Max's growth was helped by the crew of The Crimson Wave They gave advice and guidance to a young man who had decided to go a different way Madison Magazine ,1997
