

"Lennon's literary imagination has grown increasingly morbid,
convoluted and peculiar—just as his books have grown
commensurately more surprising, vigorous and fun."

See You In Paradise Stories:

See You in Paradise J. Robert Lennon, 2014-11-04 The first substantial collection of short fiction from a writer with enough electricity to light up the country Ann Patchett I guess the things that scare you are the things that are almost normal observes one narrator in this collection of effervescent and often uncanny stories Drawing on fifteen years of work *See You in Paradise* is the fullest expression yet of J Robert Lennon s distinctive and brilliantly comic take on the pathos and surreality at the heart of American life In Lennon s America a portal to another universe can be discovered with surprising nonchalance in a suburban backyard adoption almost reaches the level of blood sport and old pals return from the dead to steal your girlfriend Sexual dysfunction suicide tragic accidents and career stagnation all create surprising opportunities for unexpected grace in this full hearted and mischievous depiction of those days weeks months years we all have when things just don t go quite right

A Century of Great Western Stories John Jakes, 2001-06-23 Presents western stories by both legendary and contemporary authors of the genre such as Zane Grey Louis L Amour Loren Estleman Marcia Muller and Bill Pronzini

Inventing the World Meredith Small, 2020-12-01 An epic cultural journey that reveals how Venetian ingenuity and inventions from sunglasses and forks to bonds and currency shaped modernity How did a small isolated city with a population that never exceeded 100 000 even in its heyday come to transform western civilization Acclaimed anthropologist Meredith Small the author of the groundbreaking *Our Babies Ourselves* examines the the unique Venetian social structure that was key to their explosion of creativity and invention that ranged from the material to social Whether it was boats or money medicine or face cream opera semicolons tiramisu or child labor laws these all originated in Venice and have shaped contemporary notions of institutions and conventions ever since The foundation of how we now think about community health care money consumerism and globalization all sprung forth from the Laguna Veneta But Venice is far from a historic relic or a life sized museum It is a living city that still embraces its innovative roots As climate change effects sea level rises Venice is on the front lines of preserving its legacy and cultural history to inspire a new generation of innovators
