The Future of Military-Media Relations

Thursday 11th July 2013, Central London

Hosted by Lt Commander (Ret'd) Rupert Nichol,
Managing Director, RN Exercise Media Training

About the Masterclass:

This seminar-based discussion will tackle the future development of the complex and sensitive military/media relationship, considering past successes and failures, the present tense situation between Government and the Press, and future opportunities and dangers in the light of new technologies. Drawing on the expert experience of both the speaker and delegates this Masterclass will analyse and evaluate critical training procedures for military personnel and journalists.

Key Topics Include:

- Case studies highlighting past successes and failures in military-media relations
- An understanding of the current complex military-media relationship and why it is so difficult to negotiate
- Where do governments fit within this situation, how can all 3 parties be satisfied
- Where does the relationship break down and what initiatives should be implemented to avoid this
- Effective and necessary training procedures for military personnel

Benefits of Attending:

- Learn from experienced experts and network with industry leaders
- Analyse the current issues in the military media relationship and evaluate how best to overcome them
- Expand your knowledge and understanding of the foremost ideas in media/military relations
- Take away critical skills and practices and apply these new skills to your own operations

Seeing Through The Conflict Military Media Relations:

Seeing Through the Conflict U. S. Army U.S. Army War College, 2014-11-28 My goal for this book is to not only examine historical military media relationships but also to provide a few recommendations as a way ahead toward improving future military media relationships Conflict between reporter and the military is not new As war correspondents became of age in the Civil War the military began its determination to protect its operations The media have often called this determination censorship Since the U S military s 1983 invasion of Grenada commanders have done a questionable job of accommodating the media as evident by the findings of the Sidle and Hoffman Panels While this phenomenon of poor support may be due in part to the commander s personal feelings toward the media it may also be that the commanders public affairs staffs are simply over taxed As a result combatant commanders must rely on ad hoc public affairs organizations such as Joint Information Bureaus to manage their media operations in combat Our best opportunity to garner and sustain national and international support for armed conflict in Iraq is by maintaining a healthy relationship with the media How well our military performs in this media relations endeavor will directly affect the U S and international perceptions of our success in Iraq This book will examine the media environment historical trends DoD public affairs policy evolution and the current status of military public affairs to determine if maybe now is the time to transform our processes to better support the media and the American public

Seeing Through the Conflict John B. Snyder, 2003 My goal for this study is to not only examine historical military media relationships but also to provide a few recommendations as a way ahead toward improving future military media relationships Conflict between reporter and the military is not new As war correspondents became of age in the Civil War the military began its determination to protect its operations The media have often called this determination censorship Since the U S military s 1983 invasion of Grenada commanders have done a questionable job of accommodating the media as evident by the findings of the Sidle and Hoffman Panels While this phenomenon of poor support may be due in part to the commander s personal feelings toward the media it may also be that the commanders public affairs staffs are simply over taxed As a result combatant commanders must rely on ad hoc public affairs organizations such as Joint Information Bureaus to manage their media operations in combat Our best opportunity to garner and sustain national and international support for armed conflict in Iraq is by maintaining a healthy relationship with the media How well our military performs in this media relations endeavor will directly affect the U S and international perceptions of our success in Iraq This research will examine the media environment historical trends DoD public affairs policy evolution and the current status of military public affairs to determine if maybe now is the time to transform our processes to better support the media and the American public

The Media and International Security Stephen Badsey, 2000 A collection of the papers from the 1995 Sandhurst conference presented by leading members of the armed forces the media and academia The conference marked a major advance in British thinking on this very topical and fast moving subject bringing together authorities from various

fields in a multidisciplinary investigation which has been and will be of great interest to a wide variety of specialist readers

Global Communications, International Affairs and the Media Since 1945 Philip Taylor, 2002-11 An analysis of the nature role and impact of communications within the international arena since 1945 Taylor provides an accessible guide to this growing field for students of media communications studies and international history *Air University Library Index to Military Periodicals*, 1987

War and Media Operations Thomas Rid, 2007-02-15 This is the first academic analysis of the role of embedded media in the 2003 Iraq War providing a concise history of US military public affairs management since Vietnam In late summer 2002 the Pentagon considered giving the press an inside view of the upcoming invasion of Iraq The decision was surprising and the innovative embedded media prog

War, Media, and Propaganda Nancy Snow, Yahya R. Kamalipour, 2004-09-14 This timely book presents a multifaceted look at war media and propaganda from international perspectives Focusing on the media's role in global conflicts prominent authors journalists scholars and researchers provide an insightful overview of the impact of globalization on media practices They examine the processes behind media coverage of war sophisticated propaganda techniques the dynamics of public opinion and the effects on human affairs and communication As the book moves through theoretical discussions to regional and national views it explores cultural political implications for the United States and other countries around the world concluding with recommendations and solutions to key problems of media globalization

Defence and the Media in Time of Limited War Peter R Young, 2013-09-13 First Published in 2004 Events in the Gulf Crisis of 1990-91 have highlighted the importance of the increasingly complex and difficult relations between Defence and the Media in time of War especially in time of limited conflict when the well being let alone the security of the home nation may not be affected This problem has become especially acute given the growth of the new high technology media and its global spread and immediacy The question of how to reconcile the competing demands for secrecy on the one hand and the public's right to know on the other is fast emerging as a major question of our times In Brisbane during 3-5 April 1991 there was held what is believed to be the first ever International Conference on the topic of Defence and the Media in Time of Limited Conflict to look at this and other issues stemming from the problem Jointly funded by the Queensland University of Technology and the Australian Department of Defence the three day Conference was a major success attracting 160 delegates from Great Britain the United States Zambia Papua New Guinea Brunei New Zealand France Indonesia and of course Australia This volume publishes nearly all the papers delivered at this conference whose main focus was on post 1945 limited wars especially Vietnam Northern Ireland the Falklands Grenada and the Gulf all of which receive detailed analysis

Reporters on the Battlefield Christopher Paul, James J. Kim, 2005-01-06 Focusing on the embedded press system deployed during Operation Iraqi Freedom this book attempts to answer the following questions How effective was the embedded press system in meeting the needs of the three main constituencies the press the military and the citizens of the United States What policy history led to the innovation of an embedded press system Where are press

military relations likely to go in the future *Routledge Handbook of Media, Conflict and Security* Piers Robinson, Philip Seib, Romy Frohlich, 2016-11-10 This Handbook links the growing body of media and conflict research with the field of security studies The academic sub field of media and conflict has developed and expanded greatly over the past two decades Operating across a diverse range of academic disciplines academics are studying the impact the media has on governments pursuing war responses to humanitarian crises and violent political struggles and the role of the media as a facilitator of and a threat to both peace building and conflict prevention This handbook seeks to consolidate existing knowledge by linking the body of conflict and media studies with work in security studies The handbook is arranged into five parts Theory and Principles Media the State and War Media and Human Security Media and Policymaking within the Security State New Issues in Security and Conflict and Future Directions For scholars of security studies this handbook will provide a key point of reference for state of the art scholarship concerning the media security nexus for scholars of communication and media studies the handbook will provide a comprehensive mapping of the media conflict field *America's Disaster Culture* Robert C. Bell, Robert M. Ficociello, 2017-10-19 Are we inside the era of disasters or are we merely inundated by mediated accounts of events categorized as catastrophic America's Disaster Culture offers answers to this question and a critical theory surrounding the culture of natural disasters in American consumerism literature media film and popular culture In a hyper mediated global culture disaster events reach us with great speed and minute detail and Americans begin forming interpreting and historicizing catastrophes simultaneously with fellow citizens and people worldwide America's Disaster Culture is not policy management or relief oriented It offers an analytical framework for the cultural production and representation of disasters catastrophes and apocalypses in American culture It focuses on filling a need for critical analysis centered upon the omnipresence of real and imagined disasters epidemics and apocalypses in American culture However it also observes events such as the Dust Bowl Hurricane Katrina and 9 11 that are re framed and re historicized as natural disasters by contemporary media and pop culture Therefore America's Disaster Culture theorizes the very parameters of classifying any event as a natural disaster addresses the biases involved in a catastrophic event's public narrative and analyzes American culture's consumption of a disastrous event Looking toward the future what are the hypothetical and actual threats to disaster culture Or are we oblivious that we are currently living in a post apocalyptic landscape
