

The image shows two large, dark, weathered stone tablets standing upright against a blurred background of a sunset or sunrise sky. The tablets are covered in the Ten Commandments, with some text clearly visible such as 'THOU SHALT NOT KILL', 'THOU SHALT NOT COMMIT ADULTERY', and 'THOU SHALT NOT BEAR FALSE WITNESS'. Overlaid on the tablets is the text '1st Commandment: YOU SHALL HAVE NO OTHER GODS' in a large, bold, white font.

1st Commandment: **YOU SHALL HAVE NO OTHER GODS**

No Other Gods - Revised & Updated - Bible Study Book Kelly Minter, 2017-12 We often think of idols as ancient graven images or golden calves but God's people still battle idolatry every day Our idols look more familiar money fame power work ministry and people We serve these gods above the one true God and miss the unrivaled joy of following and knowing Jesus Christ In this 8 session revised and expanded study from Kelly Minter learn to identify the gods you may be unknowingly serving and the lies they tell you As you dethrone your modern day idols you'll be set free for the more abundant life Jesus gives You'll discover Jesus can do what no other god can ALSO AVAILABLE No Other Gods leader kit includes resources for leading an 8 session group study one Bible study book two DVDs and extra leader resources DIGITAL RESOURCES E book video and audio teaching sessions and promotional materials available at www.LifeWay.com NoOtherGods Book jacket

No Other Gods - Leader Kit Kelly Minter, 2017-12 In this 8 session revised and expanded study from Kelly Minter learn to identify the gods you may be unknowingly serving and the lies they tell you As you dethrone your modern day idols you'll be set free for the more abundant life Jesus gives You'll discover Jesus can do what no other god can No Other gods Kelly Minter, 2008-04-01 Our lives revolve around our deepest needs and greatest treasures Relationships Family Financial security Private hopes and dreams Most of our desires are healthy Yet these longings can become passions we not only pursue but worship And while idol worship may seem like ancient history we still face the modern day equivalent version as natural needs slowly consume our hearts and minds competing with God's rightful place in our lives No Other Gods offers a revealing look at the heart of a woman Author Kelly Minter explores what happens when good desires become false gods robbing us of an intimate relationship with our heavenly father So discover the freedom in surrender The healing in worship And the joy found in exchanging everyday gods for the one true God Listen to two samples from Kelly Minter's worship CD *Finer Day Finer Day First In My Heart* Buy *Finer Day* here *No Other Gods - Bible Study Book with Video Access* Kelly Minter, 2023-06 *No Other Gods* Ana Levy-Lyons, 2018-03-06 Ana Levy Lyons a public theologian who is equally at home in secular and religious worlds offers a deeply perceptive reinterpretation of the Ten Commandments for our modern lives The Ten Commandments are a spiritual resource for social justice A politically and spiritually brazen prescription for living the Ten Commandments would turn our world upside down if we actually followed them Far from being only ethical norms on which everyone already agrees or a remnant of a bygone oppressive era the Commandments are actually countercultural practices Today the Ten Commandments are a divisive part of American culture Religious conservatives champion them even if they don't always practice them Religious liberals and the nonreligious may bristle at what they perceive as antiquated moral restrictions But this ancient code still has vital contemporary relevance Rev Levy Lyons explores ways the Commandments bring us meaning illuminate our values and help us navigate through the turbulent waters of social injustice environmental crises and societal inequity No Other Gods looks at each Commandment in new ways moving beyond

interpersonal morality to the global economy and our hyper connected age From the first You Shall Have No Other Gods Besides Me Dethrone the Modern Deities of Political Social and Corporate Power to the tenth Do Not Covet Practice Your Liberation You Have Enough You Are Enough and all those in between she underscores how the Commandments can produce a bold spiritual consciousness Whether you are deeply religious or spiritual but not religious learn how the Ten Commandments can guide you to resist injustice heal our earth and find personal dignity amid the free for alls of modern life We don t have to invent a bunch of new practices for a meaningful way to live out our spirituality and social justice politics says Levy Lyons There is a perfectly good set of ten of them all ready to go with as much progressive firepower as any of us can handle that has existed for some three thousand years *No Other Gods* Kelly Minter,2008 Minter explores what happens when good desires become false gods robbing people of an intimate relationship with the heavenly Father Christian

Thou Shalt Have No Other Gods Before Me Jewish Museum (New York, N.Y.),1964 **None Other Gods** Robert Hugh Benson,1910 **Thou Shalt Have No Other Gods Before Me** Jonathan Fox,2020-03-12 Analyses various causes of religious based discrimination against 771 religious minorities in 183 countries over a twenty five year period **A God Like No Other: Depaganizing the God of the Hebrew Bible** David A. Brondos,2024-07-15 For centuries scholars and interpreters of the Hebrew Scriptures or Old Testament have read those Scriptures as if they spoke of a God whose desires concerns and interests were essentially no different than those of the other gods of antiquity known to us Like those gods what the God of Israel supposedly sought above all else was the honor worship and obedience of human beings and their submission to his will as his faithful and devoted servants While he undoubtedly demanded the practice of what was good right and merciful among his people in a way that set him apart from other gods ultimately he did so for his own sake in order to bring about in them the type of behavior that pleased him and compel them to live in conformity with his justice holiness and righteousness Those who sought to enjoy his blessings and avoid his fierce wrath and punishments had no choice but to strive to keep him content by observing all that he had commanded and making atonement for the sins and offenses they committed by offering him the sacrifices that appeased him Although he loved his people deeply his righteous and holy nature placed limits on that love and prevented him from showing them his favor unless the demands of his nature were satisfied When we abandon such an understanding of the God of Israel and instead read the Hebrew Bible on its own terms in order to grasp the logic underlying its narratives however a very different portrait of God emerges The God of whom the biblical texts speak is a God who desires nothing but the good for all those whom he has created and refuses to back down from his efforts to bring them to live in ways that will allow them to enjoy the wholeness and well being he desires for all when they insist on filling their lives with injustice suffering and violence When he demands that they obey all that he has commanded by practicing justice and compassion and avoiding behaviors that do them harm he does so not for his sake but for theirs If he jealously refuses to let his people serve and worship other gods it is only because those gods bring death and

destruction rather than the life that is found in him alone While at times he must himself resort to violence and even bring down evil on human beings in order to put a stop to oppression and injustice he does so only because his passionate and unbending commitment to the well being of all of the families of the earth together with his beloved people Israel will not allow him to hold back or relent in his efforts to save them not from him but from themselves Christian and Jewish readers alike will find in the present volume a God who is very different from the God they have been taught to encounter previously in the biblical texts a God whose ultimate concern is not for his own glory honor or worship or for the demands of a righteous and holy nature that holds him captive but for the healing wholeness and well being of all of his creatures Such an understanding of God not only calls into question traditional interpretations of the Hebrew Bible but also lays the basis for a fresh reading of the many difficult passages that have long challenged biblical interpreters due to the violent and troubling image of God that they convey

Joseph Smith's Tritheism Dayton Hartman, 2014-01-24 I have always declared God to be a distinct personage Jesus Christ a separate and distinct personage from God the Father and that the Holy Ghost was a distinct personage and a Spirit and these three constitute three distinct personages and three Gods **Isaiah 40-66** John A Braun, 2001-07-01 What is the book of Isaiah about Who was Isaiah in the Bible In the second portion of his prophecy Isaiah promises that God will deliver his people and the whole world through the great Servant of the Lord whom believers today know as Jesus Christ God promised his people that this great Servant would redeem the whole world by his innocent suffering and death The prophecy of Isaiah concludes with God's promises of future glory for all who believe Want to learn more If you're wondering what the book of Isaiah is all about this helpful resource is for you Isaiah 40-66 is a reliable Bible commentary It's down to earth clearly written easy to read and understand and filled with practical and modern applications to Scripture It also includes the complete text of Isaiah chapters 40-66 from the book of Isaiah from the NIV Bible The Christ centered commentaries following the Scripture sections contain explanations of the text historical background illustrations and archaeological information Isaiah 40-66 is a great resource for personal or group study This book is a part of The People's Bible series from Northwestern Publishing House

The Oneness and Simplicity of God Barry D. Smith, 2013-11-13 That YHWH is numerically one is foundational to the theology of the Hebrew Bible Christian theologians historically have affirmed that there is a more fundamental type of oneness attributable to God God is one not merely in the sense of being the only God but also in the sense of being simple or non composite having no parts of any kind In this way God is said to be an absolute unity After a consideration of all the evidence Barry D Smith reaches the conclusion that there is no basis for ascribing simplicity to God The simplicity doctrine is not found in Scripture and the traditional arguments used to establish it are unconvincing In addition the recent defenses of the simplicity doctrine prompted by Alvin Plantinga's work Does God Have a Nature are unsuccessful It should not be thought however that the rejection of divine simplicity means that by default God must be conceived as composite not even as a perfect composite with maximally great God making properties Rather

there is a third option God should not be conceived as either simple or composite The question of in which mode God has attributes or exemplifies properties should be set aside

The Mission of God Christopher J. H. Wright, 2025-10-21 Tackle Key Questions from the Past Two Decades in this Fully Updated Edition Engage with the latest scholarship on the biblical theology of mission and missional hermeneutics with Christopher J H Wright s classic text now fully revised and updated Most Christians would agree that the Bible provides a basis for mission But Christopher Wright boldly maintains that there is a missional basis for the Bible itself The entire Bible is generated by and is all about God s mission In order to understand the Scriptures we need a missional hermeneutic an interpretive perspective in sync with the beating heart of its great mission Wright gives us a new hermeneutical perspective on Scripture through an understanding of Who God is What he has called his people to be and do How the nations fit into God s mission In this revised edition of *The Mission of God* Wright extends his classic discussion to consider the ways that the conversation on missional hermeneutics has developed since its original publication With fully updated citations and additional chapters focused on gospel centered holistic mission and on the issue of election and supersessionism this new edition addresses the questions criticisms and insights that have emerged during the intervening two decades God s mission is to reclaim the world and God s people have a designated role to play Whether you re a pastor scholar or student *The Mission of God* will benefit your understanding of how the Bible shapes the story and purpose of God s people

Old Testament Theology Robin Routledge, 2020-05-21 Numerous useful books on Old Testament theology are now available However they often give too much information or too little Some can seem large and daunting to the ordinary student or pastor and because of their layout information may be hard to access Others take a more introductory approach and do not deal with many of the theological issues and questions that the Old Testament raises Robin Routledge s aim is to bridge this gap He provides a substantial overview of the central issues and themes in Old Testament theology in the main body of the text with more detailed discussion and references for further reading in the footnotes His purpose is to examine the theological significance of the various texts in their wider canonical context noting unity and coherence within the Old Testament and to some extent between the Old and New Testaments whilst also being aware of diversity A brief outline of the relationship between exegesis and biblical theology within the overall task of

interpreting and applying biblical material is given in the first chapter His hope as a Christian minister is that while this volume has grown out of a teaching context and is intended for students it will also be of benefit to others who want to take the theological content of the Old Testament seriously and to apply its message to the life and ministry of the church today
