more than 200 of Ebert s most biting and entertaining reviews of films receiving a mere star or less from the only film critic to win the Pulitzer Prize Ebert has no patience for these atrocious movies and minces no words in skewering the offenders Witness Armageddon 1998 The movie is an assault on the eyes the ears the brain common sense and the human desire to be entertained No matter what they re charging to get in it s worth more to get out The Beverly Hillbillies 1993 Imagine the dumbest half hour sitcom you ve ever seen spin it out to ninety three minutes by making it even more thin and shallow and you have this movie It s appalling North no stars 1994 I hated this movie Hated hated hated hated hated this movie Hated it

Hated every simpering stupid vacant audience insulting moment of it Hated the sensibility that thought anyone would like it Hated the implied insult to the audience by its belief that anyone would be entertained by it Police Academy no stars 1984 It s so bad maybe you should pool your money and draw straws and send one of the guys off to rent it so that in the future whenever you think you re sitting through a bad comedy he could shake his head chuckle tolerantly and explain that you don t know what bad is Dear God 1996 Dear God is the kind of movie where you walk out repeating the title but not with a smile The movies reviewed within I Hated Hated Hated This Movie are motion pictures you ll want to distance yourself from but Roger Ebert s creative and comical musings on those films make for a book no movie fan should miss No Clouds

The Secret to Your Success Bill Old Chief, 2021-08-25 As an author I have discovered that more than one million books are published in the United States each year Before I became an author I began to build my personal library since knowledge intrigued me To my disappointment much of what I accumulated was mainly filler and stuffing with a fancy cover In most cases only 1/3 was practical As a student of biblical history and prophetic insight I desired reading material that would challenge me to explore the revelations within the Word of God The years have taught me to be more selective and investigative before purchasing books as I continue to expand my library The first book that I published Somewhere in Montana West Bow Press I personally planned to write in a manner that would add insight to the reader that they could utilize in a beneficial manner *The Secret To Your Success* was conceived during the height of the Coronavirus pandemic right from the heart of God Many are asking questions about their future and how did this all come about through the Holy Spirit we answer those questions This book is a revelation of where we are today and what awaits us If you desire to know the truth and pull back the spiritual curtain then this is a must read for you The Bible speaks of times and seasons that the men of Issachar were able to discern you too will witness prophetic revelation concerning these times

of the founders of neurology A restless unquiet Faustian spirit Nansen was a Renaissance Man born out of his time into the new Norway of Ibsen and Grieg He was an artist and historian a diplomat who had dealings with Lenin Trotsky and Stalin and played a part in the Versailles Peace Conference where he helped the Americans in their efforts to contain the Bolsheviks He also undertook famine relief in Russia Finally working for the League of Nations as both High Commissioner for Refugees and High Commissioner for the Repatriation of Prisoners of War he became the first of the modern media conscious international civil servants
