No Man's Land Susan Campbell Bartoletti,1999 Because he had been unable to fight off the gator which injured his father fourteen year old Thrasher joins the Confederate Army hoping to prove his manhood **No Man's Land** C. M. Saunders,2017-04-09 The Somme Offensive 1916 Harry Doyle is a young overawed British infantryman struggling to come to terms with the insanity of war His main objective is staying alive and getting back home to his family in one piece But his hopes begin to diminish when he realises the full extent of the misery and destruction around him And the German war machine isn't the only thing he has to worry about Something else is preying on his friends and comrades in the trenches picking them off one by one Something no amount of military training can prepare him for Proceeds from this book will be donated to the Help for Heroes foundation This book contains descriptions of graphic violence and is not suitable for minors NO MAN S LAND is a literate and vivid narrative of an ugly war a war which for Harry Doyle and his fellow soldiers extends beyond the boundaries of consensus reality The Haunted Reading Room *No Man's Land* Eric J. Leed,1979-05-31 Based on the firsthand accounts of German French British and American front line soldiers No Man s Land examines how the first modern industrialized war transformed the character of the men who participated in it Ancient myths about war eroded in the trenches where the relentless monotony and impotence of the soldier's life was interrupted only by unpredictable moments of annihilation Professor Leed looks at how the traumatic experience of combat itself and the wholesale shattering of the conventions and ethical codes of normal social life turned ordinary civilians into liminal men men living beyond the limits of the accepted and the expected He uses the concept of liminality to illuminate the central features of the war experience the separation from home the experience of pollution death comradeship and the uncanny and the ambivalence of returning veterans about civilian society In a final chapter Professor Leed assesses the long term political impact of the front experience He finds that the end of hostilities did not mean the end of the war experience as much as the beginning of a process by which that experience was framed institutionalized celebrated and relived in political action as well as in fiction

No Man's Land Reginald Hill,2019-12-17 A particularly compelling novel of brotherhood and brutality among a band of World War I deserters Publishers Weekly A small group of soldiers led by an Australian named Viney has fled the trenches of the Western front Now they scavenge to survive in the desolate area known as no man s land One of them Josh is shaken by the brutality he has witnessed Another Lothar was a German aristocrat who had no desire to die as a supposed hero There are tensions among the group but they are united in their disdain for the war that rages around them and Lothar and Josh share another bond as each has been traumatized by the loss of a brother during the fighting But as the runaway soldiers hide in the wilds of eastern France their iron fisted leader is being targeted by a Military Police captain with a personal vendetta and they may find that no matter where they run they cannot escape danger in this novel of the First World War that offers a different kind of story The New York Times An imaginative war story It is Hill's compassionate portrayal of the
