This is what a wise cabinetmaker uttered when I asked what cabinet making meant to him I have been practicing all the
aspects of woodworking like Joinery Woodturning and Furniture making along with Cabinet Making and I must say this art
provides the maximum chance of impacting the overall look of your kitchen or bathroom and eventually your home Cabinets
for me are an extension of your personality and a great way to express yourself When I first started woodcraft I looked
desperately for a go to guide about the specific processes and exact tools required The content I found online was total
information overload and wasn t presented sequentially The books were either focused on just a few processes or assumed
that I already had the necessary information Many of the books were also very dated There are two ways of learning learning
from SMEs Subject Matter Experts with years of experience and the other is to acquire from people who are just a few steps
ahead of you in their journey I fall into the latter group I ve spent five years on this hobby and am still learning from the
experts I still remember my initial doubts and the first tips that helped me This book is for those who are still running their
first lap 0 3 years in wood crafting and want to gain a holistic idea of the necessary processes and tools I ve included
photographs of realistic beginner projects and I ll explain the processes and standard operating procedures associated with
them Below are the topics you would find inside Introduction to Cabinet Making Cabinet Types Doors and Drawers Tools
