Reality Check Peter Abrahams:

Reality Check Peter Abrahams, 2010-05-01 The Outlaws of Sherwood Street: Giving to the Poor Peter Abrahams, 2013-05-16 A modern day Robin Hood by a New York Times bestselling and Edgar Award winning author Robbie Forester has learned the hard way that life isn't fair. So have her friends Ashanti, Silas, and Tut. But Robbie and her friends who call themselves the Outlaws of Sherwood Street want to change that. When Sheldon Gun, an evil business man, ends up killing Silas's father, so he can build a new apartment complex in Brooklyn, the Outlaws know it's up to them to make Sheldon Gun pay. With street smarts, Silas's inventions, and a little help from a charm bracelet, these friends know they can take on Sheldon Gun and win. At least they hope so. If not, they may end up just like Silas's dad. This story is filled with action, adventure, social justice, and great friends and is especially relevant during our current economy and the rise of the Occupy Everywhere movement. Perfect for fans of young detectives like Nancy Drew, Enola Holmes, and Gilda Joyce. Peter Abrahams, who also writes the Chet Bernie mysteries as Spencer Quinn, is the award-winning and best-selling author of the Echo Falls series as well as teen novels *Reality Check* and *Bullet Point*. His adult novel *The Fan* was turned into a feature film starring Robert DeNiro and Wesley Snipes. Stephen King has called Abrahams my favorite American suspense novelist. **Between the Lines** Michael Anthony, Joan F. Kaywell, 2016-09-23 Michael Anthony, 20-year reading workshop practitioner at the secondary level, and Joan Kaywell, acclaimed author and advocate for young adult literature, present *Between the Lines*, a creative paradigm shift for the English Language Arts workshop classroom. In contrast to the traditional sustained silent reading and individual conferencing model, an impractical commitment for most teachers, BtL invites collaborative engagement and active inquiry among students, as well as on-demand writing and integrated YA literature, all designed to support existing middle and secondary level ELA classroom curriculum instruction and national academic learning standards while empowering English educators toward improved student literacy achievement and the creation of lifelong readers. The classroom activities, with student-friendly names like Book Chat, Check, and Pop Goes the Question, promote animated discussions in social learning contexts and produce writings supported by textual evidence from student-selected texts. Clear, step-by-step directions for facilitation and authentic models of resulting student writing are shared, along with a standards-based lesson plan suitable for grades 6-12. Ongoing teacher-student journal conversations validate independent reader thought processes and provoke differentiated learning experiences. The book includes Common Core State Standards-based strategies for responding to students meaningfully and for inviting extensions beyond the book, motivating increasingly complex and connective writings. Sample dialogue, journal entries, and insightful commentary and practical analysis. Everything needed for implementing *Between the Lines* is contained within these pages, including a user-friendly appendix filled with fully reproducible classroom workshop materials, tips for reducing the teacher reading and writing loads, and suggestions for building an enviable classroom library stocked with award-winning adolescent literature.
