war That Lincoln succeeded Goodwin demonstrates was the result of a character that had been forged by experiences that raised him above his more privileged and accomplished rivals He won because he possessed an extraordinary ability to put himself in the place of other men to experience what they were feeling to understand their motives and desires It was this capacity that enabled Lincoln as president to bring his disgruntled opponents together create the most unusual cabinet in history and marshal their talents to the task of preserving the Union and winning the war We view the long horrifying struggle from the vantage of the White House as Lincoln copes with incompetent generals hostile congressmen and his raucous cabinet He overcomes these obstacles by winning the respect of his former competitors and in the case of Seward finds a loyal and crucial friend to see him through This brilliant multiple biography is centered on Lincoln s mastery of men and how it shaped the most significant presidency in the nation s history     *The Friend* ,1864     **The Publishers Weekly** ,1910     **Portland Transcript** ,1861     The International Blue Book ,1911     **Pioneering History on Two Continents** Bruce F.
