The 80 recipes are important but really this is a food studies book written for those who feel some nostalgia for or connection to Appalachia. *Lexington Herald Leader*

Mark F Sohn's classic book *Mountain Country Cooking* was a James Beard Award nominee in 1997. In *Appalachian Home Cooking*, Sohn expands and improves upon his earlier work by using his extensive knowledge of cooking to uncover the romantic secrets of Appalachian food both within and beyond the kitchen. Shedding new light on Appalachia's food history and culture, Sohn offers over eighty classic recipes as well as photographs, poetry, mail order sources, information on Appalachian food festivals, a glossary of Appalachian and cooking terms, menus for holidays and seasons, and lists of the top Appalachian foods. *Appalachian Home Cooking* celebrates mountain food at its best. When you read these recipes for chicken and dumplings, country ham, fried trout, crackling bread, shuck beans, cheese grits, casseroles, bean patties, and sweet potato pie, your mouth will begin to water, whether or not you have a connection to Appalachia. Loyal Jones, author of *Appalachian Values*, offers everything you ever wanted to know about culinary mysteries like shucky beans, pawpaws, cushaw squash, and how to season cast iron cookware. *Our State Tells* how mountain people have taken what they had to work with from livestock to produce and provides more than recipes but the stories behind the preparing of the food. The reading is almost as much fun as the eating, with fewer calories. *Modern Mountain Magazine*

Memories from Home Linda Weiss, 2007-04 The recipes in this book are from my mother, grandmothers, family and friends as well as those used in my cooking classes and television programs. In this cookbook, I am also printing the recipes kept secret until now that I have used in my personal chef and baking business. The book title *Memories From Home* is the result of something my dad said to me when an article that I had written about my grandmother appeared on an entire page in my hometown paper. He said you sure brought back a lot of good memories for me. And I knew that was it, it had to be *Memories From Home*. Thanks Daddy, I love you. Since I have been writing for some years now, I've included stories about my childhood and stories of growing up in the place that I love the most, the south. There is no place like it on earth. And if you were lucky enough to be born here or live here now, you will understand what I mean. It is a world of gracious living and wonderful, kind people. Enjoy my friends.

Fritos Pie Kaleta Doolin, 2011 In 1932, C. E. Doolin, the operator of a struggling San Antonio confectionery, purchased for 100¢ the recipe for a fried corn chip product and a crude device used to make it, along with a list of nineteen customer accounts. From that humble beginning sprang Fritos fries. In Spanish, a product that thanks to Doolin's marketing ingenuity and a visionary approach to food technology would become one of the best known brands in America. *Fritos Pie* is an insider's look at the never before told story of the Frito Company, written by Kaleta Doolin, daughter of the company's founder. Filled with personal anecdotes, more than 150 recipes, and stories, this book recounts the company's early days, the 1961 merger that created Frito-Lay Inc. and beyond.
