Sutton,2007-05-15 A breakthrough in management thinking weird ideas can help every organization achieve a balance between sustaining performance and fostering new ideas To succeed you need to be both conventional and counterintuitive Creativity new ideas innovation in any age they are keys to success Yet as Stanford professor Robert Sutton explains the standard rules of business behavior and management are precisely the opposite of what it takes to build an innovative company We are told to hire people who will fit in to train them extensively and to work to instill a corporate culture in every employee In fact in order to foster creativity we should hire misfits goad them to fight and pay them to defy convention and undermine the prevailing culture Weird Ideas That Work codifies these and other proven counterintuitive ideas to help you turn your workplace from staid and safe to wild and woolly and creative In Weird Ideas That Work Sutton draws on extensive research in behavioral psychology to explain how innovation can be fostered in hiring managing and motivating people building teams making decisions and interacting with outsiders Business practices like hire people who make you uncomfortable and reward success and failure but punish inaction strike many managers as strange or even downright wrong Yet Weird Ideas That Work shows how some of the best teams and companies use these and other counterintuitive practices to crank out new ideas and it demonstrates that every company can reap sales and profits from such creativity Weird Ideas That Work is filled with examples drawn from hi and low tech industries manufacturing and services information and products More than just a set of bizarre suggestions it represents a breakthrough in management

thinking Sutton shows that the practices we need to sustain performance are in constant tension with those that foster new ideas The trick is to choose the right balance between conventional and weird and now thanks to Robert Sutton s work we have the tools we need to do so **Journals of the House of Commons** Great Britain House of Commons,1803
