After the Fire Robin Gaby Fisher, 2025-05-01 On January 19 2000 a fire raged through Seton Hall University's freshman dormitory killing three students and injuring 58 others Among the victims were Shawn Simons and Alvaro Llanos roommates from poor neighborhoods who made their families proud by getting into college They managed to escape but both were burned terribly After the Fire is the story of these young men and their courageous fight to recover from the worst damage the burn unit at Saint Barnabas hospital had ever seen It is the story of the extraordinary doctors and nurses who work with the burned It is the story of mothers and fathers of faith and family and the invisible ties that bind us to each other It is the story of the search for the arsonists and the elaborate cover up that nearly obscured the truth And it is the story of the women who came to love these men who knew that real beauty is a thing not seen in mirrors **The Woman Who Wasn't**

There Robin Gaby Fisher, Angelo J Guglielmo, 2012-04-03 It was a tale of loss and recovery of courage and sorrow of horror and inspiration Tania Head's astonishing account of her experience on September 11 2001 from crawling through the carnage and chaos to escaping the seventy eighth floor sky lobby of the burning south tower to losing her fianc in the collapsed north tower transformed her into one of the great victims and heroes of that tragic day Tania selflessly took on the responsibility of giving a voice and a direction to the burgeoning World Trade Center Survivors Network helping save the Survivor Stairway and leading tours at Ground Zero including taking then governor Pataki Mayor Bloomberg and former mayor Giuliani on the inaugural tour of the WTC site She even used her own assets to fund charitable events to help survivors heal But there was something very wrong with Tania's story a terrible secret that would break the hearts and challenge the faith of all those she claimed to champion Told with the unique insider perspective and authority of Angelo J Guglielmo Jr a filmmaker shooting a documentary on the efforts of the Survivors Network and previously one of Tania's closest friends **The Woman Who Wasn't There** is the story of one of the most audacious and bewildering quests for acclaim in recent memory one that poses fascinating questions about the essence of morality and the human need for connection at any cost **Perfectly Clear** Michelle LeClair, Robin Gaby Fisher, 2018-09-11 The revelatory memoir by former poster girl for Scientology Michelle LeClair about her defection from the Church her newly accepted sexual identity and the lengths to which Scientology went to silence it For years Michelle LeClair former President of Scientology's international humanitarian organization tried to reconcile her sexual orientation with the anti gay ideology of the church Michelle finally ends her horrific marriage finds the love of her life a woman and ultimately leaves the Church But the split comes at a terrible price Her once pristine reputation is publicly dragged through the mud the police raid her home her ex husband tries to gain full custody of their children and the multi million dollar business she built from scratch is utterly destroyed In this tell all memoir Michelle offers an insider's perspective on Scientology's pervasive influence secret rituals and ruthless practices for keeping members in line It's a story of self acceptance of finding the strength and courage to stand up for your emotional

freedom and of love prevailing The Boys of the Dark Robin Gaby Fisher, Michael O'McCarthy, Robert W. Straley, 2024-09-04 The harrowing true story of the abuses two boys suffered at a Florida reform school and how they came together fifty years later to confront their attackers The Boys of the Dark reads seamlessly A worthy exploration of a regrettably long lasting true crime nightmare Kirkus Reviews Michael O McCarthy and Robert W Straley were teens when they were termed incorrigible youth by authorities and ordered to attend the Florida School for Boys They discovered in Marianna the City of Southern Charm an immaculately groomed campus that looked more like an idyllic university than a reform school But hidden behind the gates of the Florida School for Boys was a hell unlike any they could have imagined The school s guards and administrators acted as their jailers and tormentors The boys allegedly bore witness to assault rape and possibly even murder For fifty years both men and countless others like them carried their torment in silence But a series of unlikely events brought O McCarthy now a successful rights activist and Straley together and they became determined to expose the Florida School for Boys for what they believed it to be a youth prison with a century long history of abuse They embarked upon a campaign that would change their lives and inspire others Robin Gaby Fisher a Pulitzer Prize winning journalist and author of the New York Times bestselling After the Fire collaborates with Straley and O McCarthy to offer a riveting account of their harrowing ordeal The book goes beyond the story of the two men to expose the truth about a century old institution and a town that adopted a Nuremberg like code of secrecy and a government that failed to address its own wrongdoing What emerges is a tale of strength resolve and vindication in the face of the kinds of terror few can imagine Haunting and disturbing The voices of the victims will forever touch my heart To turn a deaf ear to this type of injustice is to give permission for it to continue As a people as a society we should be outraged Jennifer Thompson coauthor of Picking Cotton This deeply moving story is highly recommended to readers of heart wrenching memoirs 20th century American studies or true crime Library Journal **War No More** Michael K. Duffey, 2021-07-16 In the twentieth and early twenty first centuries nonviolent movements for justice have succeeded where violent campaigns have failed This book examines fourteen cases eleven movements that succeeded and three that have until now failed and shows why nonviolent strategies work drawing on the thought of practitioners and theorists Later chapters examine violent U S interventions abroad and at home as well as citizen movements for nonviolent conflict resolution As an introduction to nonviolent movements this text engages students in recent events from the news as well as the history of modern warfare Bringing in philosophical and religious texts from a diverse set of traditions author Michael K Duffey offers a multifaceted argument for embracing nonviolent solutions to conflict **Make Trouble Young Readers Edition** Cecile Richards, 2019-10-15 From former Planned Parenthood president and activist Cecile Richards comes the young readers edition of her New York Times bestselling memoir which Hillary Rodham Clinton called an inspiration for aspiring leaders everywhere To make change you have to make trouble Cecile Richards has been fighting for what she believes in ever since she was taken to the principal s office in seventh grade for

wearing an armband in protest of the Vietnam War She had an extraordinary childhood in ultra conservative Texas where her father a civil rights attorney and her mother an avid activist and the first female governor of Texas taught their kids to be troublemakers From the time Richards was a girl she had a front row seat to observe the rise of women in American politics And by sharing her story with young readers she shines a light on the people and lessons that have gotten her through good times and bad and encourages her audience to take risks make mistakes and make trouble along the way Gods of Wood and Stone Mark Di Ionno,2018-07-17 Two men from disparate worlds search for what constitutes a meaningful life in a searing portrait of honor and masculinity sport and celebrity marriage and parenthood in this rough tough and thoughtful Phil Mushnick New York Post debut from Pulitzer Prize finalist and front page columnist Mark Di Ionno Joe Grudeck is a living legend a first ballot Hall of Famer beloved by Boston Red Sox fans who once played for millions under the bright Fenway lights Now he finds himself haunted by his own history searching for connection in a world that's alienated his true self beneath his celebrity persona Soon he'll step back into the spotlight once more with a very risky Cooperstown acceptance speech that has the power to change everything except the darkness in his past Horace Mueller is a different type altogether working in darkness at a museum blacksmith shop and living in a rundown farmhouse on the outskirts of Cooperstown New York He clings to an antiquated lifestyle fueled by nostalgia for simpler times and a rebellion against the sport celebrity lifestyle of Cooperstown His baseball prodigy son however veers towards everything Horace has spent his life railing against Gods of Wood and Stone is the story of these two men a timeless but strikingly singular tale of the responsibilities of manhood and the pitfalls of glory in a painful and exhilarating novel that's distinctly American Delivered with a fan's passion a journalist's eye for detail and the unblinking courage of a storyteller Mark Di Ionno knocks it out of the park with this piercing literary thriller Bryan Gruley award winning author of the Starvation Lake trilogy **Sandy Hook** Elizabeth Williamson,2023-03-07 Slate 25 Best Crime Books Podcasts and Documentaries of All Time Vanity Fair's Books We Can't Stop Thinking About Carnegie Medal Nonfiction Longlist 2023 The Washington Post Best Non Fiction Books of 2022 Publishers Weekly Best Books 2022 Kirkus Best Non Fiction Books of 2022 Slate Best Books 2022 Chicago Tribune Best Books 2022 Los Angeles Times Best Books 2022 Based on hundreds of hours of research interviews and access to exclusive sources and materials Sandy Hook is Elizabeth Williamson's landmark investigation of the aftermath of a school shooting the work of Sandy Hook parents who fought to defend themselves and the truth of their children's fate against the frenzied distortions of online deniers and conspiracy theorists On December 14 2012 a gunman killed twenty first graders and six educators at Sandy Hook Elementary School in Newtown Connecticut Ten years later Sandy Hook has become a foundational story of how false conspiracy narratives and malicious misinformation have gained traction in society One of the nation's most devastating mass shootings Sandy Hook was used to create destructive and painful myths Driven by ideology or profit or for no sound reason at all some people insisted it never occurred or was staged by the federal government as a pretext for

seizing Americans firearms They tormented the victims relatives online accosted them on the street and at memorial events accusing them of faking their loved ones murders Some family members have been stalked and forced into hiding A gun was fired into the home of one parent Present at the creation of this terrible crusade was Alex Jones s Infowars a far right outlet that aired noxious Sandy Hook theories to millions and raised money for the conspiracy theorists quest to prove the shooting didn t happen Enabled by Facebook YouTube and other social media companies failure to curb harmful content the conspiracists questions grew into suspicion suspicion grew into demands for more proof and unanswered demands turned into rage This pattern of denial and attack would come to characterize some Americans response to almost every major event from mass shootings to the coronavirus pandemic to the 2020 presidential election in which President Trump s false claims of a rigged result prompted the January 6 2021 assault on a bastion of democracy the U S Capitol The Sandy Hook families led by the father of the youngest victim refused to accept this Sandy Hook is the story of their battle to preserve their loved ones legacies even in the face of threats to their own lives Through exhaustive reporting narrative storytelling and intimate portraits Sandy Hook is the definitive book on one of the most shocking cultural ruptures of the internet era *New Jersey's Environments* Neil M. Maher,2006-01-19 Americans often think of New Jersey as an environmental nightmare As seen from its infamous turnpike which is how many travelers experience the Garden State it is difficult not to be troubled by the wealth of industrial plants belching smokestacks and hills upon hills of landfills Yet those living and working in New Jersey often experience a very different environment Despite its dense population and urban growth two thirds of the state remains covered in farmland and forest and New Jersey has a larger percentage of land dedicated to state parks and forestland than the average for all states It is this ecological paradox that makes New Jersey important for understanding the relationship between Americans and their natural world In New Jersey s Environments historians policy makers and earth scientists use a case study approach to uncover the causes and consequences of decisions regarding land use resources and conservation Nine essays consider topics ranging from solid waste and wildlife management to the effects of sprawl on natural disaster preparedness The state is astonishingly diverse and faces more than the usual competing interests from environmentalists citizens and businesses This book documents the innovations and compromises created on behalf of and in response to growing environmental concerns in New Jersey all of which set examples on the local level for nationwide and worldwide efforts that share the goal of protecting the natural world *Boardwalk of Dreams* Bryant Simon,2004-07-29 During the first half of the twentieth century Atlantic City was the nation s most popular middle class resort the home of the famed Boardwalk the Miss America Pageant and the board game Monopoly By the late 1960s it had become a symbol of urban decay and blight compared by journalists to bombed out Dresden and war torn Beirut Several decades and a dozen casinos later Atlantic City is again one of America s most popular tourist spots with thirty five million visitors a year Yet most stay for a mere six hours and the highway has replaced the Boardwalk as the city s most important thoroughfare Today the city doesn

t have a single movie theater and its one supermarket is a virtual fortress protected by metal detectors and security guards In this wide ranging book Bryant Simon does far more than tell a nostalgic tale of Atlantic City's rise near death and reincarnation He turns the depiction of middle class vacationers into a revealing discussion of the boundaries of public space in urban America In the past he argues the public was never really about democracy but about exclusion During Atlantic City's heyday African Americans were kept off the Boardwalk and away from the beaches The overly boisterous or improperly dressed were kept out of theaters and hotel lobbies by uniformed ushers and police The creation of Atlantic City as the Nation's Playground was dependent on keeping undesirables out of view unless they were pushing tourists down the Boardwalk on rickshaw like rolling chairs or shimmying in smoky nightclubs Desegregation overturned this racial balance in the mid 1960s making the city's public spaces more open and democratic too open and democratic for many middle class Americans who fled to suburbs and suburban style resorts like Disneyworld With the opening of the first casino in 1978 the urban balance once again shifted creating twelve separate heavily guarded glittering casinos worlds walled off from the dilapidated houses boarded up businesses and lots razed for redevelopment that never came Tourists are deliberately kept away from the city's grim reality and its predominantly poor African American residents Despite ten of thousands of buses and cars rolling into every day gambling has not saved Atlantic City or returned it to its glory days Simon's moving narrative of Atlantic City's past points to the troubling fate of urban America and the nation's cultural trajectory in the twentieth century with broad implications for those interested in urban studies sociology planning architecture and history

Transnational Cinematic and Popular Music Icons Aaron Lefkowitz, 2017-09-08 Transnational Cinematic's and Queen Latifah's transnational popular cultural struggles between domination and autonomy with a particular emphasis on their films and popular music Linking each performer to twentieth century U.S. African American and global gender histories and noting the intersections of race gender sexuality class and empire in their overlapping transnational biographies Transnational Cinematic Popular Music Icons Lena Horne Dorothy Dandridge Queen Latifah 1917-2017 connects Horne Dandridge and Latifah to each other and legacies of Hollywood stereotypes and popular music's internationally routed politics Through a close reading of Horne's Dandridge's and Latifah's films and popular music the performers tie to historic black transnational caricatures from the tragic mulatto to Sapphire Mammy and Jezebel and additional non white female performers from Josephine Baker to Halle Berry maneuvering within transnational popular culture industrial matrices and against white supremacist and hetero patriarchal forces Worlds Apart Benjamin Paloff, 2025-04-29 A number of European authors who survived concentration camps ghettos and besieged cities in the middle of the twentieth century chose not to write straightforward memoirs or testimonials but instead to fictionalize their experiences By manipulating narrative time and point of view and altering biographical facts these writers produced literary texts that challenge common notions of what constitutes an appropriate representation of collective trauma How might such works provide a deeper understanding of

historical truth than the facts alone What does the literature of the camps reveal about present day spaces of confinement Worlds Apart explores the ethics of representation by reading the works of writers who use the techniques of literary fiction to depict survival in these precarious spaces Benjamin Paloff traces the complex relationship between fact and truth in these texts disentangling writers individual experiences from fictional elements that universalize that experience and in so doing show the camp to be an institution of the present Touring the unusual genre conventions of these works he weighs crucial questions about what constitutes truth in historical representation literature and the popular imagination Reading across Czech French German Polish Russian and Yiddish including lesser known and untranslated works Paloff considers portrayals of the Shoah the Gulag the Warsaw Ghetto Uprising and the blockade of Leningrad Bold nuanced and rich in comparative insight Worlds Apart argues forcefully for the moral urgency of recognizing that the camp is not simply a historical artifact but a basic institution of contemporary society

Unmasked Paul Holes, 2022-04-26 THE INSTANT NEW YORK TIMES BESTSELLER It s a mark of the highest honor when I say it s even more riveting than an episode of Dateline The New York Times From Paul Holes the detective who found the Golden State Killer *Unmasked* is a memoir that grabs its reader in a stranglehold and proves more fascinating than fiction and darker than any noir narrative LA Magazine I order another bourbon neat This is the drink that will flip the switch I don t even know how I got here to this place to this point Something is happening to me lately I m drinking too much My sheets are soaking wet when I wake up from nightmares of decaying corpses I order another drink and swig it trying to forget about the latest case I can t shake Crime solving for me is more complex than the challenge of the hunt or the process of piecing together a scientific puzzle The thought of good people suffering drives me for better or worse to the point of obsession People always ask how I am able to detach from the horrors of my work Part of it is an innate capacity to compartmentalize the rest is experience and exposure and I ve had plenty of both But I have always taken pride in the fact that I can keep my feelings locked up to get the job done It s only been recently

that it feels like all that suppressed darkness is beginning to seep out When I look back at my long career there is a lot I am proud of I have caught some of the most notorious killers of the twenty first century and brought justice and closure for their victims and families I want to tell you about a lifetime solving these cold cases from Laci Peterson to Jaycee Dugard to the Pittsburg homicides to yes my twenty year long hunt for the Golden State Killer But a deeper question eats at me as I ask myself at what cost I have sacrificed relationships joy even fatherhood because the pursuit of evil always came first Did I make the right choice It s something I grapple with every day Yet as I stand in the spot where a young girl took her last breath as I look into the eyes of her family I know that for me there has never been a choice I don t know if I can solve your case I whisper But I promise I will do my best It is a promise I know I can keep *Intimate Lies and the Law* Jill Elaine Hasday,2019-06-25 This is the first book that systematically examines deception in sexual marital and familial relationships and uncovers the hidden body of law that shields intimate deceivers from legal consequences It argues that entering an intimate relationship or being duped into one should not mean losing the law s protection from deceit **Fields of Grace** Hannah Luce,2014-10-21 Airplane crash survivor Hannah Luce tells her story not just of what happened in the plane that day and of her long road to recovery but of how the crash changed everything she thought she knew about friendship family and faith Dust jacket flap Backroads, New Jersey Mark Di Ionno,2002 In Backroads New Jersey Di Ionno leads readers off the congested interstates with their commonplace scenery to the seldom explored secondary roads where the real life of the state can be found These inter county or 500 series roads are a 6 788 mile network of mostly one lane highways Marked by blue and yellow five sided shields bearing county names they make up more than 20 percent of New Jersey s public roads They are never the fastest or most direct way to get anywhere but when you break out of the towns and hit the country they are a pleasure to drive People ,2008-09 **Burning Down the House** Nell Bernstein,2014-06-03 When teenagers scuffle during a basketball game they are typically benched But when Will got into it on the court he and his rival were sprayed in the face at close range by a chemical similar to Mace denied a shower for twenty four hours and then locked in solitary confinement for a month One in three American children will be arrested by the time they are twenty three and many will spend time locked inside horrific detention centers that defy everything we know about how to rehabilitate young offenders In a clear eyed indictment of the juvenile justice system run amok award winning journalist Nell Bernstein shows that there is no right way to lock up a child The very act of isolation denies delinquent children the thing that is most essential to their growth and rehabilitation positive relationships with caring adults Bernstein introduces us to youth across the nation who have suffered violence and psychological torture at the hands of the state She presents these youths all as fully realized people not victims As they describe in their own voices their fight to maintain their humanity and protect their individuality in environments that would deny both these young people offer a hopeful alternative to the doomed effort to reform a system that should only be dismantled Burning Down the House is a clarion call to shut down our nation s brutal

and counterproductive juvenile prisons and bring our children home
