Rock Bottom A Novel In 12 Steps:

12 Steps on Buddha's Path Ayya Khema, 2010-10-12 *12 Steps on Buddha's Path* is an inspiring firsthand account of what happens when life seems hopeless and the miracle of finding out that it's anything but. The author describes her own journey of recovery from alcoholism, an astonishing passage through strange and frightening territory, and marks out the path that allowed her to emerge from that darkness as a wise and compassionate person living a life that is joyous and free. This book is a powerful and enriching synthesis of the 12 Step recovery programs and the Noble Eightfold Path of Buddhism. It is sure to appeal to anyone touched by addiction, including those looking for new ways to understand and work with the tried and true 12 Step system. Tens of millions of Americans suffer from Alcoholism and other forms of dependence, and *12 Steps on Buddha's Path* offers hope and help for any one of them. Though writing anonymously out of deep respect for 12 Step policies, the author is in fact a well-known professional author deeply involved in the recovery and meditation communities. *The 12 Steps Unplugged* Anonymous, 2011-03-31 In this straightforward and funny guide, John R. interprets the philosophies and stories of the Big Book for young people. Like many alcoholics and addicts, when John R. began his recovery at age seventeen, he was given a Big Book. At first, he was reluctant to wade through the old-fashioned language and the stories about people he didn't think he could relate to. But over time, he realized that the best way to get sober and to stay sober is to learn from those who have gone before us. And so he read *Alcoholics Anonymous* and took the first step toward changing his life. Today, with more than twenty years of sobriety, John is an adolescent chemical dependency counselor showing addicts how the core messages of AA are as powerful and relevant to them as they have been to the millions of others who have gotten help for addiction over the years. With *The 12 Steps Unplugged*, he makes the Twelve Steps accessible to all of us. In this simple and often funny guide, he interprets the philosophies and stories of the Big Book in straightforward language that speaks to regular people. John will help you connect with the basic messages of getting honest with yourself, accepting the help of others, and finding a relevant spiritual support. Through *The 12 Steps Unplugged*, you'll discover just how universal the AA program really is. Integrating the 12 Steps into Addiction Therapy James R. Finley, 2004-10-20 All the resources needed to fully integrate a 12 step approach as part of your overall treatment program. Millions of Americans have at some time in their lives participated in a 12 step program for treatment of a chemical or non-chemical addiction. Clinicians recognize that these grass roots efforts have a very high cure rate. However, little has been written on how to integrate these programs into a traditional therapy setting. *Integrating the 12 Steps into Addiction Therapy* serves as an indispensable resource for clinicians treating addiction patients who are simultaneously enrolled in 12 step programs. This valuable text contains eight lesson plans and twenty-seven assignments. It integrates in-depth discussion of 12 step programs with hands-on resources like homework assignments, treatment plan examples, and patient handouts. Will also benefit 12 step program peer counselors. Includes companion CD-ROM with fully customizable homework assignments, lesson plans, and presentations. Treating Addictions

whether chemical or non chemical can be one of the most difficult challenges faced by mental health professionals For many people 12 step programs have played a critical role in helping them to manage their addictive behaviors Integrating the 12 Steps into Addiction Therapy gives psychologists therapists counselors social workers and clinicians the tools and resources they need to fully utilize these peer therapy program techniques in treating a wide variety of addictions

The Meeting Book 2 Lois Barleycorn Dickens, 2012-06-13 When dealing with the problem of alcohol dependence in a loved one we all need knowledgeable friends to guide us through the stormy seas of coping with the life events that we will experience People who have walked before us Although there is no magic pill we can give to the drinker to make them stop drinking that does not mean we are helpless in the situation We can change our approach and very often because of the changes we make in ourselves the drinker chooses to change too The Meeting is a support group for the families and friends of alcoholics By reading these experiences you are being given the opportunity and privilege of sharing the wealth of wisdom these members have gained Explanations of what makes an addict remain elusive but this is our experience of living with alcohol dependency problems in others Many who stay the distance experience an emotional or spiritual awakening It is often when we feel at the end of our world that we find surprisingly that that is where our real journey begins There are real pearls of wisdom contained in these experiences you can benefit from if you are ready and willing to read with an open mind but the suggestion is always to take what you like and leave the rest
