Ballard's Politics* Florian Cord, 2017-01-23 This book is the first sustained investigation of the political dimension in the work of J G Ballard A product of and reaction to the cultural socio-economic moment commonly designated as the postmodern condition Ballard's oeuvre is read as a continuous and developing meditation on the postmodern examining it specifically as an expression of late capitalism The book shows that at the heart of this meditation lies the question of resistance Drawing on a wide range of concepts and ideas taken from the field of critical theory it argues that in the face of a world marked by an unprecedented expansion of capital in which modernity's grand narratives have been invalidated and in which received forms of political struggle have lost their effectiveness Ballard's fiction commits itself to a deliberately irrational and extreme pataphysical thought in order to develop a new discourse of resistance Against past readings that have construed Ballard's writing as non political decadent or quietist the study thus reveals Ballard as a thoroughly political author committed to a subversive politics In this way the book also constitutes a timely intervention in the ongoing discussion concerning the nature and state of the political **User's Guide to Coenzyme Q10** Martin Zucker, 2002 Explains what you need to know when using coenzyme Q10 to boost your health **The User's Guide to STEMS** David M.
