Role Play Negotiation Mediation Mennonite:

Resolving Conflict with Justice and Peace Charles R. McCollough, 1991 A practical how to book that addresses the resolution of spiritual and personal conflicts within the church and among the individuals who serve it Helps the reader make the difficult transition from intellectual theory to actual resolution of conflict *Dispute Resolution*, 1988 World Arbitration & Mediation Report, 1992 **Handbook of Research on Development and Religion** Matthew Clarke, 2013-01-01 With eighty percent of the world's population professing religious faith religious belief is a common human characteristic This fascinating and highly unique Handbook brings together state of the art research on incorporating religion into development studies literature and research The expert contributors illustrate that as religious identity is integral to a community's culture exclusion of religious consideration will limit successful development interventions it is therefore necessary to conflate religion and development to enhance efforts to improve the lives of the poor Issues addressed include key tenets beliefs and histories of religions religious response to development concerns gender environment education microfinance humanitarian assistance and the role of faith based organisations and missionaries in the wider development context Practical case studies of countries across Africa Eastern Europe and the Pacific including Australia underpin the research providing evidence that the intersection between religion and development is neither new nor static By way of conclusion suggestions are prescribed for extensive further research in order to advance understanding of this nascent field This path breaking Handbook will prove a thought provoking and stimulating reference tool for academics researchers and students in international development international relations comparative religion and theology

Peacekeeping and Conflict Resolution Oliver Ramsbotham, Tom Woodhouse, 2013-07-04 Conflict resolution theory has become relevant to the various challenges faced by the United Nations peacekeeping forces as efforts are made to learn from the traumatic and devastating impact of the many civil wars that have erupted in the 1990s This work analyzes the theory

Christianity and Freedom: Volume 2, Contemporary Perspectives Allen D. Hertzke, Timothy Samuel Shah, 2016-02-15 Volume 2 of *Christianity and Freedom* illuminates how Christian minorities and transnational Christian networks contribute to the freedom and flourishing of societies across the globe even amidst pressure and violent persecution Featuring unprecedented field research by some of the world's most distinguished scholars it documents the outsized role of Christians in promoting human rights and religious freedom fighting injustice stimulating economic equality providing education social services and health care and nurturing democratic civil society Readers will come away surprised and sobered to learn how this very Christian link to freedom often invites persecution What are the dimensions of persecution and how are Christians responding to that pressure What resources theological social or transnational do they marshal in leavening their societies What will be lost if the Christian presence is marginalized The answers to these questions are of crucial relevance in a world awash with religious extremism and deepening instability **Victim-Offender Mediation in Europe**

EUFORUMRJ,2000-06-21 This publication is an initiative of the European Forum for Victim Offender Mediation and Restorative Justice and results from its first conference which was held in Leuven Belgium from 27 29 October 1999 The first six chapters consider victim offender mediation and restorative justice from a more theoretical point of view These analyses of theoretical legal policy ethical and societal aspects of mediation and restorative justice have been written by well known scholars in this field The second part of the book consists of overviews of the situation with regard to victim offender mediation in the eight European countries in which it is currently the most developed Austria Belgium Finland France Germany Norway Poland and the United Kingdom For these last chapters a multitude of information was collected in each of these countries and this is presented and analysed comparatively The following topics are discussed for each of the countries the history of victim offender mediation in that particular country the legal context policy and implementation the number of programmes and the way they function the practice of mediation the number and characteristics of cases evaluation and research and finally challenges obstacles and expectations for the future This is probably the first time that such extensive reports on the practice of victim offender mediation in Europe have been brought together in this way In publishing this book the European Forum is seeking to contribute to the realisation of one of its objectives namely providing people all over Europe and beyond with information on victim offender mediation and restorative justice in other countries Restorative justice is a relatively new field and is still very much evolving A full exchange of information and ideas will contribute to this process

Justice That Transforms, Volume One Wayne Northey,2020-01-09 Restorative Justice was a term and concept largely unused before the mid 1970s Wayne Northey happened to be in on the ground floor of facilitating its worldwide adoption as a challenge to Western retributive justice systems ultimately to violent responses to conflict domestically and internationally The most replicated early model of Restorative Justice based on the well known Elmira Case was a Canadian first initially dubbed Victim Offender Reconciliation Project VORP The author became its second director in 1977 The term mediation later displaced the more religious word reconciliation as the model spread outside Christian moorings and program displaced the initially more tentative project At seminary Northey had learned to think through one's vocation theologically He began in that vein writing and publishing on this profound call for a systemic paradigm shift and has been at it ever since This publication is volume 1 of a series of his collected writings of which two additional volumes may be found online Two or three further volumes are projected

Dispute Resolution Carole L. Hinchcliff,1991

Mediation Carrie Menkel-Meadow,2018-05-08 This title was first published in 2001 This volume of essays explores the theoretical and jurisprudential bases of mediated forms of dispute resolution from legal anthropological sociological psychological and political sources It also presents ongoing disputes about the field itself including its threat to conventional litigation and justice seeking adjudication and its promise in providing more humane and tailored solutions to human problems

,1990 *Getting to Amen* Lora-Ellen McKinney,2005 This important resource provides a set of practical tools based on Christian principles psychological theory and research on African American religious culture that will help churches move beyond disputes and disagreements to harmony and heartfelt amens ADR Report ,2000 *Religious Leaders and Conflict Transformation* Nukhet A. Sandal,2017-02-16 The book introduces a theoretical framework to understand the role of religious leaders in conflict transformation and peacebuilding Peace Clan Peter M. Sensenig,2016-03-02 What happens when North American Mennonite Christians arrive in Islamic Somalia The answer according to Peter Sensenig is that something new emerges a peace clan From the first schools and medical work in the 1950s up to the educational partnerships of the present day Somalis and Mennonites formed a surprising friendship that defied conventional labels Peace Clan is the story of two deeply traditional communities as they encounter change How can Somalis apply the profound peacemaking resources of their culture and faith in a society fragmented by violence And how can modernizing Mennonites make sense of their peace convictions in the context of civil war and military intervention In struggling with these questions over the course of six decades Somalis and Mennonites held a mirror up to one another The author shows how the common quest to transform enmity brings out the best in both communities and suggests what a fruitful partnership might look like in the present challenges Students academics and lay readers alike will find on these pages a compelling invitation to join the peace clan **Peacebuilding in Traumatized Societies** Barry Hart,2008-02-26 This work examines trauma identity security education and development as issues of critical importance to peacebuilding and social reconstruction after large scale violence This violence takes the form of war mass killings and genocide as well as structural violence that has humiliated and impoverished millions of people across the globe Transitional justice leadership religion and the arts are other crucial issues that are included in this analysis of violence and its transformation The book explores how each issue can be independently addressed for transformational purposes but argues for their active interdependence in order to more effectively help individuals communities and societies emerge from violence and begin the rebuilding process Peacebuilding for Traumatized Societies examines these issues in theoretical and practical terms through case studies and descriptions of training and problem solving procedures in Rwanda the Balkans Colombia and the Philippines **Rural Living** ,1987-11 **Peace Research Abstracts Journal** ,2003 **Sociological Abstracts** Leo P. Chall,1997 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers
