The Secularization of Baptism Mark G. McKim, 2025-01-31 Does God actually do anything in baptism Is it more than just a symbol Most early Baptists would have answered yes Most Baptists today would answer no How and why did this change happen and does it matter Providing thorough documentation of the changing understandings of baptism among American Canadian and English Baptists from the 1600s to the present day The Secularization of Baptism demonstrates that four factors led to the symbolic only position becoming dominant These were suspicion in reaction to Roman Catholicism of the idea of God revealing himself through the physical the influence of the Enlightenment and embarrassment with claims that God could be acting in the world today reaction against the Oxford Movement and reaction against the understanding of baptism advocated by the Disciples of Christ Campbellites The now dominant symbolic only position so focuses attention on what the believer is doing in baptism that God is seen as largely absent from and doing nothing through the rite in effect believers baptism has been secularized A carefully reasoned biblical and theological argument is made for a return to the Regular Particular Baptist view that God is both profoundly spiritually present and active in baptism while at the same time rejecting the sacramentalist position advocated by a small number of mid twentieth and twenty first century Baptists such as H Wheeler Robinson George Beasley Murray Stanley K Fowler and Anthony R Cross

Presbyterian Worship Bryan D. Spinks, 2020-09-30 This seminal work by one of the world's most distinguished liturgical scholars fills an important gap in the history of the Church of Scotland and of Scottish worship. It offers an in-depth narrative of a neglected liturgical legacy and a perceptive analysis of the Church's evolving patterns of worship from the middle of the 19th century to the present day. A magisterial study, it includes *Inherited Patterns of Public Prayer*, *Liturgical Disruption*, *Dr Robert Lee of Greyfriars*, *Edinburgh*, *The Church Service Society*, and *The Euchologion*. *Nineteenth Century Public Worship* Provisions including open air communions, *Worship's Companions*, *Hymns and Choirs*, *Worship and the High Church Parties*, *Culture*, *Ecclesiology and Architecture*, *Worship Between the Two World Wars*, *The Ecumenical and Liturgical Movements*, *Into Postmodernity and the Present*. **Theology in Service of the Church** Charles A. Westerfield Tucker, 2011-04-27 This book offers a comprehensive examination of Methodist practice, tracing its evolution from the earliest days up to the present. Baptismal Liturgies Phillip Tovey, 2019-09-20 This unique volume collects together baptismal liturgies in use across five continents to reveal the breadth of theological understanding and diversity of practice in Anglicanism today. **Christian Worship in Reformed Churches Past and Present** Lukas Vischer, 2003 Worship renewal is now on the agenda of many Reformed churches as the need for adaptation and new approaches is acutely felt all over. How can the church faithfully worship God in the midst of rapidly changing situations? How can it constructively relate to widely differing cultural contexts? What is its place in the wider ecumenical scene? In preparing a sweeping survey of Reformed worship across time and place, this volume provides some help to those engaged with vital questions like these. Written by theologians and liturgical scholars from a wide range of churches and countries, these chapters explore the history of Reformed worship on every continent from the sixteenth century to the present. Surveying the most significant developments in the growth of Reformed worship, the book identifies the major ingredients that make the Reformed worship tradition distinctive and highlights those aspects of Reformed worship that are particularly relevant to present efforts at renewal. Indeed, an important component of this book is the inclusion of *A Common Reflection on Christian Worship in Reformed Churches Today*, the result of a major consultation in January 2001 at the International Reformed Center, John Knox. Revealing the rich variety of forms and diversity of perspectives that have made and do make up Reformed worship worldwide, this volume will be a valuable resource for church and worship leaders both in and outside the Reformed family.
