looking for someone for the enemy who was responsible for killing my fiancé. He was a covert operative who worked for the British government, someone hiding behind the trappings of respectability. Or so I thought. I dropped a hint where he could find me going through channels I knew he would be monitoring. And when he walked into the bar, he stuck out like a sore thumb. Tall and well-built, he could barely hide his magnificent physique beneath the stuffy three-piece suit I had him pegged as MI6 from the moment he sat down. But when he zeroed in on me and the time came to strike, something stopped me. Maybe it was the way his body felt so close to mine. Maybe it was the kindness in his eyes that stirred doubt about his guilt. All I know is that I couldn't kill him, and that might just have been the biggest mistake of my life.

Cruising Love Lexy Timms, 2018-01-13
USA Today Bestselling Author
Lexy Timms shares a holiday romance that'll warm the heart and have you wishing on love or beating it with a stick. Abby said yes. After all, she's pretty sure she's in love with Colin. I mean, who wouldn't be? He's crazy hot, owns a billionaire-dollar company, and wants to marry her. Except there's one problem: they barely know each other. They've done two crazy snow drives and had amazing sex. Boy, does he know her in that department. He even hired her to work for his company. But what else do they have in common? Is that enough reason to get married? Of course there's the issue of him being in a different social class. Literally. The man deals with top business owners, billionaires, Hollywood princes from other countries. He's spoken to the president. Abby's just well, she's just Abby from a small town near Minnesota. As they head off on a cruise, she
