Walking With God Jeremiah Burroughs, 2017-12-19 The bible is filled with a theology of walking This supernatural and eminently important topic is the substance of this discourse by master exegete and preacher Jeremiah Burroughs 1599 1646 This work is laid out in a series of rules which demonstrate to the Christian what one looks like who in fact walks with God Burroughs main text is And Enoch walked with God and he was not for God took him Gen 5 24 His main doctrine from this text is that it is the great excellency and commendation of a godly man to walk with God Or that it is the highest testimony that can be given that a man walks with God He covers how a person is brought to walk with God shown in six particulars Then he defines specifically what it means to walk with God and their extended excellencies along with exhortations to both Christians and unbelievers as to their interest in walking with God Then he provides ten ways that show people in the church and even people in the world that a man is walking with God or not Lastly he demonstrates biblical rules toward walking with God in the right manner The last chapter is actually an extra added section that Burroughs decided he could not write this work without That chapter is worth its weight in gold and alone is worth the time of reading this volume It houses the objection concerning the manner in which God sometimes may hide his face from his people for their good though at the time it surely doesn t feel as though desertion is a good thing Burroughs covers being self deceived in this and answers various particulars concerning how to rightly judge whether one is actually walking with God in the right way whether one is deserted by God and whether such a desertion warrants repentance or just right thinking Eshcol; Or, Rules of Direction, for the Walking of the Saints in Fellowship John Owen (D.D.), 1764 Eschcol: Or Rules of Direction, for the Walking of the Saints in Fellowship, According to the Order of the Gospel John Owen, 1764 **The Rules of a Holy Life** Nicholas

Byfield, 2013-12-22 This volume is one of the most biblically sound and theologically amazing works on Christian sanctification and holy living If any man is going to gain profit by something as Byfield says then he is going to gain profit by holy living There is no one biblical text that Byfield utilizes Instead he uses passages from the entire Bible and masterfully applies scripture topically to various aspects of living a holy Christian life He covers such topics as preparations to a godly life general rules to be remembered in the manner of doing all good duties rules that concern the preservation of our love to God and how we should carry ourselves in God s house He also deals with rules that order us about hearing of the word of baptism of the Lord s Supper of prayer of reading the Scriptures of singing psalms of vowing and swearing of fasting of keeping the Sabbath and much much more This is an astoundingly helpful work not to turn the Christian into one that follows rules but one that desires to see his life reflect God s holy prescription of being more like Jesus Christ through living out the Bible s truth This is not a scan or facsimile has been updated in modern English for easy reading and has an active table of contents for electronic versions
