Literature for Young Adults Joan L. Knickerbocker, 2017-03-15 Young adults are actively looking for anything that connects them with the changes happening in their lives and the books discussed throughout *Literature for Young Adults* have the potential to make that connection and motivate them to read It explores a great variety of works genres and formats but it places special emphasis on contemporary works whose nontraditional themes protagonists and literary conventions make them well suited to young adult readers It also looks at the ways in which contemporary readers access and share the works they re reading and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs In addition to traditional genre chapters *Literature for Young Adults* includes chapters on literary nonfiction poetry short stories and drama cover art picture books illustrated literature and graphic novels and film It recognizes that while films can be used to complement print literature they are also a literacy format in their own right and one that young adults are particularly familiar and comfortable with The book s discussion of literary language including traditional elements as well as metafictional terms enables readers to share in a literary conversation with their students and others when communicating about books It will help readers teach young adults the language they need to articulate their responses to the books they are reading

Rumpelstiltskin Lilith Leana,2023-04-22 What if the Miller's daughter couldn't give away her firstborn to Rumpelstiltskin because it was already his The Miller's daughter has been cursed with powers to read people's minds The King wants her to give him his deepest desire but she can't find out what it is on her own Rumpelstiltskin will help the Miller's daughter at a price His price becomes higher as the demands of the King increase until he asks for something he cannot have Excerpt The price will be a kiss from you Of course I whispered as our lips were only a hair apart I could feel his warm breath on my lips and could almost taste him already His smell was earthy green almost like the deepest corner of the woods where the light didn't reach but life still grew I wanted to kiss him as well Many men had tried to seduce me into kisses but I

had always known their thoughts and intentions weren't pure As dark as this strange man's eyes were his thoughts were honest and open Rumpelstiltskin marveled at the softness of my skin as his eyes took in every detail of my face It felt strange to be admired so openly without him realizing I could hear it all As he moved closer so our lips touched his thoughts turned darker dirtier and more intimate His lips touched mine in the softest of caresses and I thought he would pull back but suddenly he deepened the kiss Reader advisory This story contains explicit sex scenes between a human and an imp Rumpelstiltskin is a 5.5k words short steamy hot erotic Rumpelstiltskin fairytale Retelling Explicit sex scenes standalone no cheating or cliffhangers Rumpelstiltskin & The Golden Promise Veronica Sloan, The good news is that King Udolf wants to marry Lorelle a starving little nobody from the poorest village in the kingdom The bad news is that her drunken father swears she can spin straw into gold Now Lorelle has until sunrise to prove him right or both she and her father will face the hangman Enter Rumpelstiltskin a hideous hunchback with a serious attitude problem His magic is the only thing that can save her life but first she must submit to his carnal desire Lorelle is prepared to hate him for that She isn't prepared for the way his clever tongue makes her laugh or the way it makes her moan This erotic romance is 27 000 words and for readers 18 and up Excerpt Rump waited for her nervous fingers to relinquish his buttons Then he said with muffled anger I told you not to call me again I told you that it would go hard for you And yet I did she snapped I have no other choice No he said And did I not tell you that too There is always a choice So you would have me choose my own death she said Yes he shouted The word was so loud and so fierce that Lorelle shrank from the hunchback For a moment his ugly face faltered and his golden fingers opened as if to reach for her as if to apologize for his outburst but when the moonlight touched his hand when it glinted back its cold metal his heart hardened once more You owe them nothing Lorelle not even your life Give them death It is the only freedom in this world Lorelle clutched her throbbing chest How can you say such a thing she whispered Death is freedom Only one who has lived so long could be so arrogant If my mother taught me anything you miserable man it is that life is fleeting It cannot be dispensed with so casually not when its span is unknown or its quality variable by the moment A week ago I was a worthless brewer's girl Tonight I am a heartbeat removed from the crown What will I be tomorrow Would you prefer a corpse The Rump clawed his fingers through his limp hair and threw his cap at his feet No he said Only it will not end here Lorelle The King will have you spinning until your dying breath Yes she said I cannot save you indefinitely he said There is only so much you can sacrifice I will give what I must she said That he said I do not doubt You are as tenacious a maid as ever I met I am no longer a maid she said You saw to that The Rump gazed into her sweet brown eyes Aye That I did Though I took no pleasure in it Liar she said You took as much pleasure in it as I did Then remembering that he could never finish the act she amended her statement Some pleasure Pleasure is irrelevant to this new affair he said Lorelle I beseech you to reconsider Why she said Is this not what you do Is this not your demonic mission To seduce women into your power My power he laughed Oh Lorelle if you knew He shuffled to the spinning wheel and gave its wheel a formidable turn As it

blurred into motion silent sparks rolled forth into the shape of golden teeth The teeth grimaced and melted into smoke I wasted my young years seducing women What I do now is penance Do you know what sacrifice I would ask of you for this second wish Some new depravity she hoped I confess I've exhausted my imagination as to what it could be You've been fantasizing about me have you Let us not go so far she said Her fingers traced the circumference of the wheel until they rested close to his own golden hand Only that I have been preparing myself to be defiled *Threads of Gold* Christine Pope, 2015-09-08 When the price of magic is everything you hold dear how much are you willing to pay Annora Kelsden's father has always been a braggart but when he boasts that she can spin straw into gold his words reach the wrong ears Suddenly Annora finds herself imprisoned in the king's tower with three days to accomplish the impossible or face execution When a mysterious stranger appears offering his help Annora has no choice but to accept But magic always comes with a price and each night the stranger's demands grow more costly What begins as salvation becomes a trap with no escape where royal greed threatens to consume everything she loves Even when unexpected love blooms in the darkest of circumstances Annora discovers that some bargains can't be broken and some debts can only be paid with the one thing she can't bear to give up As her final payment comes due she must find the strength to outwit the very magic that saved her or lose the most precious thing of all In this kingdom where gold matters more than lives will cleverness triumph over sorcery or will Annora discover that some prices are too high to pay **KEYWORDS** Rumpelstiltskin Rumpelstiltskin romantasy fairy tale romance fairy tale retelling fairytale *Twisted* Bonnie M.
