International Law in the Russian Legal System William Elliott Butler, 2020 This

addition to the Elements of International Law series explores the role of international law as an integral part of the Russian legal system with particular reference to the role of international treaties and of generally recognized principles and norms of international law Following a discussion of the historical place of treaties in Russian legal history and the sources of the Russian law of treaties the book strikes new ground in exploring contemporary treaty making in the Russian Federation by drawing upon sources not believed to have been previously used in Russian or western doctrinal writings Special attention is devoted to investment protection treaties The importance of publishing treaties as a condition of their application by Russian courts is explored For the first time a detailed account is given of the constitutional history of treaty ratification in Russia the outcome being that present constitutional practice is inconsistent with the drafting history of the relevant constitutional provisions The volume gives attention to the role of the Russian Supreme Court in developing treaty practice through the issuance of guiding documents binding on lower courts the reaction of the Russian Constitutional Court to judgments of the European Court of Human Rights and the place of treaties as an integral part of the Russian legal system Butler further explores the hierarchy of sources of law together with other facets of Russian arbitral and judicial practice with respect to treaties and other sources of international law He concludes with a consideration of the generally recognized principles and norms of international law and their role as part of the Russian system

The Mapping of a Russian War: The Atlas of the Principality of Polatsk by Stanisław Pacholowiecki (1580) Jakub Niedźwiedź, Karol Łopatecki, Grzegorz Franczak, 2024-12-02 This volume is a comprehensive analysis of the Atlas of the Principality of Polatsk 1580 one of the oldest cartographic representations of the military conflict between Russia Muscovy and the Western world Its author the Polish royal cartographer Stanisław Pacholowiecki drew the maps at the beginning of the Livonian War 1579 1582 when the Polish Lithuanian army liberated the Lithuanian and Livonian lands from Muscovian occupation The Mapping of a Russian War focuses on the military aspects of the maps their political and propaganda use and the Early Modern construction of the past through maps The authors present an innovative approach to these maps rarely examined by the international research community

Exploring the US Language Flagship Program Dianna Murphy, Karen Evans-Romaine, 2016-11-07 A number of reports in the US have highlighted the country's need for improved second language skills for both national security and economic competitiveness The Language Flagship program launched in 2002 aims to raise expectations regarding language proficiency levels at the post secondary level and to address structural gaps in the curricula of many L2 programs This federally funded program provides opportunities for US undergraduate students in any specialization to reach a professional level of competence in a targeted second language by graduation This volume highlights innovative practices that enable students to achieve this goal even those with no exposure to the second language prior to university This book explores the rationale and history of the federal program and showcases

models and strategies of existing Flagship programs **A Russian Prince in the Soviet State** Vladimir Sergeevich Trubetskoi, 2006-02-06 Of a noble and distinguished family disenfranchised by the Bolshevik revolution Vladimir Trubetskoi 1892 1937 alone remained in Russia and suffered the consequences His life and experiences are well documented in this remarkable volume a selection of his writings that reflects his comfortable prewar existence and his post revolutionary poverty uncertainty and displacement all conveyed with humor and ironic detachment Including selections from Trubetskoi's memoirs his letters from exile in Uzbekistan and his hunting stories the chapters of this volume offer autobiographical narratives of the self creative reflections ethnography and most of all uniquely evocative and informative instances of history lived and recorded with quiet power and irrepressible character In his letters from exile Trubetskoi describes his grim situation in Central Asia how he snatched moments to write between mornings playing piano in a ballet studio and late nights in a restaurant band struggling with the heat the insect borne illness and the problems of a large uprooted family His memoirs of 1911 12 Notes of a Cuirassier are the culmination of his efforts and they convey in vivid detail the glittering prewar world of an elite Russian Guards regiment These reminiscences as well as his stories offer a glimpse of what life was like for a citizen of Imperial Russia who tried to make a life for himself in the new Soviet state Instructive amusing moving Trubetskoi's stories are also an inspiring example of how a person of grace and true nobility meets large scale social and political upheaval **Engineering** , 1894 **Borzoi - The Russian Wolfhound. Its History, Breeding, Exhibiting and Care (Vintage Dog Books Breed Classic)** Nellie Martin, 2013-03-06 Originally published in 1931 this extremely scarce early work on the Russian Wolfhound or Borzoi is both expensive and hard to find in its first edition VINTAGE DOG BOOKS have republished it using the original text and photographs as part of their CLASSIC BREED BOOKS series Only a handful of books have ever been written on this truly magnificent aristocrat of the canine race This particular title is an important complete and practical work and the author has endeavoured to show the breed as it truly is Its origins and history have been well researched with information on other topics being gathered from breeders worldwide including the authors own wealth of practical experience with the Borzoi The book's one hundred and eighteen pages contain numerous comprehensive chapters each being illustrated with rare vintage photographs and line drawings Origins and History Famous Dogs of United States Canada and England Official Standard Head Body Legs Feet and Tail Coat Colour and General Appearance Traits and Disposition Training Feeding and Kenneling Preparing for the Show Ring Breeding Principles Handling of the Stud Questionnaires List of Russian Wolfhound Champions Etc This is a fascinating read for any Russian Wolfhound Borzoi enthusiast or historian of the breed but also contains much information that is still useful and practical today Many of the earliest dog breed books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive VINTAGE DOG BOOKS are republishing these classic works in affordable high quality modern editions using the original text and artwork [Russian Federation](#) International Monetary Fund, 2011-09-27 Even though the Russian

authorities have maintained financial stability at the time of a major global shock the financial system is still weak The crisis has set back progress toward a strong competitive banking system for the future The recent unification of the supervision of nonbank financial institutions is an opportunity for strengthened oversight A more structured corrective action regime and a unified administration regime for all banks with broad powers for the administrator would help strengthen the system further

Designing Russian Cinema Eleanor Rees, 2022-12-15 This book highlights the significant role that production artists played when Russian cinema was still in its infancy It uncovers Russian cinema's connections with other art forms examining how production artists drew on both aesthetic traditions and modernist experiments in architecture painting and theatre as they explored the new medium of cinema and its potential to engender new models of perception and forms of audience engagement Drawing on set design sketches archival documents and film makers memoirs Eleanor Rees reveals how less canonical films such as *Behind the Screen* Kulisy ekrana 1919 and *Palace and Fortress* Dvorets i krepost 1923 were remarkable from a design perspective and also provides new readings of well known films such as *Children of the Age* Deti veka 1915 and *Strike* Stachka 1925 Rees brings to light information on significant but understudied figures such as Vladimir Egorov and Sergei Kozlovskii and highlights the involvement of well known figures such as Lev Kuleshov and Aleksandr Rodchenko Unlike the majority of late Imperial directors and camera operators many early Russian production artists continued to work in cinema in the Soviet era and to draw on practices forged before the 1917 Revolution In spanning the entire silent era this book highlights the often overlooked continuities between the late Imperial and early Soviet periods of cinema thus questioning traditional historical periodisations

The Russian Management Revolution Sheila M. Puffer, Kim Braithwaite, 2016-06-16 Soviet managerial culture however resistant to change is in fact changing just as Western managers have begun to grasp some of its written rules This volume attempts to reveal the direction of those changes It spotlights the problems that are preparing students career managers and the employees of Western ventures for work in a very different environment The issues and the pitfalls are brought to life in reports from the field by some of the Soviet and Western consultants executives instructors and students who are pioneers in the conscious creation of a new managerial culture

Industrial World, 1910 **The Russian Orthodox Church** Jane Ellis, 2024-11-26 The Russian Orthodox Church 1986 concentrates on the recent history of the church examining the situation of Russian Orthodox believers in the Soviet Union It demonstrates that freedom of religion did not exist in the Soviet Union although the church remained a vigorous and potent force in Soviet society which the authorities were unable to ignore
